HSF President Tim Brillante & VP Student Affairs Lakeshore, SCC member Candace Pellew

Toby Heaps, CEO and co-founder of Corporate Knights the company for clean capitalism. Corporate Knights (CK) publishes an award winning magazine 4 times a year. Founded in 2002, CK's flagship magazine is published as a quarterly insert in the Globe and Mail and Washington Post. As one of the world's largest circulation (125K+) magazines focused on the intersection of business and society, CK is the most prominent brand in the clean capitalism media space. Named 2013 Magazine of the Year by the National Magazine Awards Foundation.

In the most recent issue, CK ranked the top 30 schools "Global Green MBA Ranking" and also ranked the 2013 most sustainable countries. Toby will speak about how sustainability is showing up in many industries - not just environmental ones - and will link this to what Humber is doing.

Dexter Lam, Sustainability Programs Manager, University of Calgary (Gold STARS level institution). Dexter will speak to us about the University of Calgary's recent achievement of Gold STARS, and how they got there. He will also describe how the STARS process assists with motivation and decision making for sustainability on campus, how to integrate it into business planning, engagement and other areas at an institution.

Lindsay Walker, Sustainability Manager Humber College & Spencer Wood, Associate Director of Operations and Maintenance Humber College will discuss what this means for Humber Sustainability, and plans for the future.

Everyone Welcome!
