The Culturally Inclusive Educator Certificate (CIEC) program is designed for people teaching, training, facilitating or advising in the public and private sector. The certificate is comprised of five courses to help strengthen, and enhance participants' intercultural knowledge, communication, curriculum development and differentiated teaching skills when teaching and supporting international higher education students. Upon completion of the certificate, participants will have developed a framework of actions they can integrate into their own practice.

Each course is offered over three classes (for a total of 15 weeks) in the fall, winter, and spring/summer semesters. Upon successful completion of the five courses, participants receive a Certificate of Completion.
