

ANNOUNCEMENT

Videography & Photography Services

Purchasing, along with Marketing & Communications and Student Success & Engagement are pleased to announce that through a competitive bid process including the technical and pricing evaluation, we have just awarded the new contract for Videography & Photography Services. You can obtain your requirements from any of the 9 newly awarded vendors. An excel spreadsheet has been posted on the finance website <http://www.humber.ca/finance/resources> where you can find fixed prices for hourly, daily, half day, overtime and holiday rates and their contact information on the Vendors of Record excel spreadsheet. Please note that when it is time to put through a requisition, a new commodity code has been added for **Videography Services 781** which should be used for any Videography projects, and commodity code **617 should be used for Photography projects.**
