

youth led talk & tour

march 25th | 12:00 - 1:30 pm

mAPPing the Territory

North Space, Humber College North Campus

205 Humber College Blvd., LRC Main Concourse Area

How does the virtual space we inhabit relate to the physical, social and economic reality of our community? Youth who participated in the project will be on site to answer questions and walk people through the process of what it took to develop the exhibition from concept to completion.
