Please join us in celebrating Patricia Van Horne's upcoming retirement by making a donation to support student scholarships and awards at Humber.

With 28 years of outstanding service and dedication to Humber, Patricia Van Horne, Associate Director, Strategic Planning and Institutional Analysis, has decided to enjoy retirement and enjoy new adventures.

Pat started her career at Humber College as a Programmer/ Analyst with ITS in 1990. In 1999, she joined the Office of the Registrar as the Associate Registrar, Records & Scheduling, and finally in 2009 began providing her knowledge, skills and expertise as Manager, Institutional Research in the department of Strategic Planning and Institutional Analysis (SPIA).

Pat's hard work, commitment, enthusiasm and contributions to numerous projects and committees over the years have helped to advance both SPIA and the college as a whole to help students succeed.

To mark this special occasion, we invite you to make a donation in Pat's honour to support Humber Gives, providing students with scholarships and awards.
