

Sustainable Transportation at Humber

Electric Vehicle Charging Stations

- North Campus: Commuter Hub (parking garage) and Carrier Drive
- Lakeshore Campus: Student Welcome and Resource Centre (parking garage)

You must obtain card reader access to the parking garage to use the electric vehicle charging stations. Contact the [Parking & Transportation Services Manager](#) for access.

Electric vehicle charging on campus is currently FREE with no time limit, until further notice.

Secure Bike Parking

Register and pay for secure bike parking at the following locations:

- North Campus: Commuter Hub (parking garage)
- Lakeshore Campus: Student Welcome and Resource Centre (parking garage)

Pay \$12 for the year online through [MyHumber](#). For more information, please read [How to Register and Pay for Secure Bike Parking](#) or email sustainability@humber.ca.

Public Transportation Routes

North Campus is served by 10 bus routes:

- [Toronto Transit Commission \(TTC\)](#)
- [Brampton Transit](#)
- [York Region Transit](#)
- [Mississauga Transit \(MiWay\)](#)

Lakeshore Campus is served solely by:

- [Toronto Transit Commission \(TTC\)](#)
- Both [Mississauga Transit](#) and [GO Transit](#) services are located reasonably close to campus.
