The Heart of Humber

FIXED MENU DINNER ON 24TH OF APRIL 2015

*The Heart of Humber is a drive that enforces young chefs like us, to emerge in the culinary world with world class cuisines and creating new trends. We have been catering to our esteemed guests from around the world. We take pride in providing a terrific dining experience to every guest, every time, in our restaurants. In an effort to shape our way of cooking, we have brought an international menu for you today, hoping to rediscover our history and shape our future. Our menu is inspired from traditional cuisine from various nationalities and we have tried to rediscover them, with a new style, flavors and science. Enjoy!*
