

New Employee Orientation

At Humber we view new employee orientation as an important process that helps you become a successful member of our community. Please join us and explore Humber, hear about resources that are available to you, including critical information about benefits, performance appraisals, professional development opportunities, and union representation. This session will help you identify how your role contributes to Humber achieving its vision, mission and objectives, hear about the current status of Humber's business plan and what the future holds for post-secondary education and how the changes will affect Humber. You will also have an opportunity to socialize with other new employees over lunch. Your orientation will conclude with a tour of the North campus.

Our New Employee Orientation Workshop special guests include: President John Davies and representatives from: the Support Staff Union; Purchasing; the Advancement Office; Community Outreach and Workforce Development; Human Rights and Diversity; and Employee Benefits.

If you have not attended a session yet, please join us for one of the upcoming sessions:

- Thursday, May 3, 2012
- Tuesday, June 5, 2012

Workshops will run from 8:45 am – 1:30 pm and take place in B308.

To register, please complete the following information and forward to:
Maureen Martin-Edey, HR Services, Room B304 or by fax to 416-675-4708.
