

Pathways to Human Rights Education & Action: Integrating Head and Heart

Human Rights Training Sessions for 2020/2021

The Centre for Human Rights, Equity & Diversity (the Centre) engaged the Humber College community in a participatory and consultative process to obtain feedback on Humber's Human Rights Policy and Human Rights Complaint Resolution Procedures in 2018. As a result, Humber launched the revised Human Rights Policy and Human Rights Complaint Resolution Procedures in December 2018.

The Ontario Human Rights Commission requires that all employers provide ongoing education and training on the organization's human rights policy. All Humber employees (full-time, non-full-time, work-study) are required to update their knowledge of Humber's Human Rights Policy and Complaint Resolution Procedures.

We understand that **non-full-time** faculty may experience scheduling challenges to attend a weekday human rights training session and for this reason, the Centre is also offering training sessions on Saturday mornings for **non-full-time** faculty.

Please note: All Humber employees who have attended a Humber Human Rights Training session prior to **August 2018** are required to refresh their knowledge of Humber's Human Rights Policy and Complaint Resolution Procedures.

Participants at the training workshop will:

1. Increase their understanding of key Human Rights terms and concepts in order to more effectively prevent, recognize and respond to human rights related concerns;
2. Receive resources that will assist in enhancing inclusion at Humber; and
3. Receive Humber's Human Rights Policy.

To facilitate your attendance, Human Rights Training sessions will be offered throughout the 2020/2021 academic year through an online registration process available at: hrs.humber.ca/register.
