## 2022 President's Breakfast: Event Primer

The President's Breakfast is an annual Humber tradition that brings the college community together to mark the start of a new academic year.

This year's event is the 41st President's Breakfast and the first for Dr. Ann Marie Vaughan, Humber's new, fifth and first-ever woman president. Welcome Ann Marie!

After two years of virtual celebrations, the President's Breakfast returns to the gymnasium at the North Campus. Typically, about a thousand employees attend in-person.

The event also features the presentation of the annual President's Awards along with videos highlighting Humber's people and achievements from the previous year.

Festivities begin at 8 a.m., and doors open at 7:30 a.m. Arrive early to line up as there is no assigned or reserved seating. DJ Pete, a live band and a photo slide show will provide early morning entertainment.

Chris Irwin and Ginger Grant will lead the program and Chef Jerome and the Chartwells staff will provide a buffet breakfast.

Attendees are encouraged to take photos and share on social media using **#HumberTogether**.

Please remember that Humber is a caring community, and we are working to provide a safe and healthy environment across our campuses. Though masks are optional, respect is mandatory. Please respect one another's personal choice.

For those unable to attend, there will be a video recap shared after the event.

We look forward to seeing you at the 2022 President's Breakfast on Tuesday, August 30.
