# 2SLGBTQ+ EMPLOYMENT PANEL

**Date: Wednesday, June 14 - 11:30 am - 12:30 pm**

**Location: North Campus, NX111 and online**

In this hybrid event, members of the 2SLGBTQ+ Employee Resource Group (ERG) will engage in a panel discussion of what it is like to be queer in the workplace. Your host, Matthew Harris, will lead the panel through questions like the following: what are some of the priorities for queer people in the workplace? How would queer people like to see the workplace change or improve? How can your non-queer colleagues show allyship to the 2SLGBTQ+ community?

All members of the Humber community are invited to this event. Feedback and questions are also encouraged: this is a unique opportunity to ask good-faith questions about the 2SLGBTQ+ community.

The event will be held in person and online. Light refreshments will be served.

# DRAG QUEEN STORY HOUR

**Date: Wednesday,  
June 7 - 10:00 am - 11:00 am**  
**Location: North Campus,  
E Concourse**

Lucy Flawless

Lucinda Miu

In honour of this year's pride theme, Queer Joy, the 2SLGBTQ+ Employee Resource Group (ERG), IGNITE, and the Humber Child Development Centre (CDC) are proud to host a Drag Queen Story Hour with Lucy Flawless and Lucinda Miu!

Drag artists have long brought joy, love, laughter, acceptance and entertainment to our communities. Drag queen story hour is all about providing children with a fun and engaging story time that encourages them to love books and reading - the storyteller just happens to be a beautiful queen!

The Humber community is invited to join us on Wednesday, June 7 from 10-11 am in the E concourse for storytelling with Lucy and Lucinda. The drag queens will read to children from the Humber Child Development Centre (CDC), and they will also perform age-appropriate lip synchs. There may be media/photography covering the event and any children from the CDC who do not have parent consent to be photographed will be seated at the side or back of the crowd. We hope that Humber College hosting this event will send the message that our campus is a welcoming, supportive and safe place for all members of the 2SLGBTQ+ community.
