- Transmission watermain works

## Detailed Description

As part of the Finch West Light Rail Transit (LRT) Project, crews will be doing transmission watermain works along Finch Avenue West at Highway 27 south of Humber College.

To safely perform the work, the temporary traffic staging as shown above will remain in place for two (2) weeks, approximately.

Work may be rescheduled due to weather conditions or unforeseen circumstances.

Please take extra care when navigating near work sites, and always make eye contact with the driver before crossing in front of any equipment or vehicle.

Minor field modifications may occur when needed to complete work safely and minimize impact on the public.

We will continue to monitor noise and vibration levels during these activities to identify the need for mitigative actions.
