

# Humberland

Welcome to Humberland!

Join us on Saturday, November 27 for the virtual party!

The annual Humber holiday party is upon us! We'd like to welcome you to Humberland, a completely LIVE virtual holiday village. The fun starts here!

Humberland brings the holidays to you, your family and friends! We'll be taking you on a one-day journey through the village exploring each quarter and the festivities found within it, from dancing and mocktails to cookies and crafts to games and storytelling and a virtual visit from Santa.

Humberland will be held on Zoom from 9 am to 3:15 pm with various activities and prizes throughout the day.
