NAVIGATING EMPLOYMENT AFTER HUMBER

## DILSHAN JAYASINGHE, CPA

Manager-Assurance: Ernst & Young (EY) LLP,  
University of Guelph-Humber,  
Honours BBA (2022).

### ACCOMMODATIONS AT HUMBER/UGH

"I got accommodations set up really early before I started university. When it came to midterms and final exams, I benefitted a lot from using memory aids, extra time, supervised breaks, and a computer."

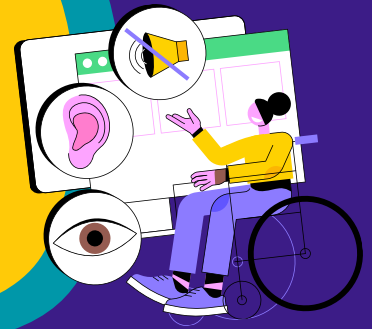

### SUPPORTS AT WORK

"I feel like I don't need accommodations because the people are super supportive. When you need extra time on a project they say take your time. Regardless of your race, gender, ethnicity, sexual orientation and ability, disability and walks of life, they are supportive from the start."

### DISCLOSING MY DISABILITY

"I disclosed when I went for my interview. I opened up telling him that I am an individual with Autism Spectrum Disorder."

### HOW CAN HUMBER/UGH HELP?

"I got involved in case competitions in my first year. I fell in love with it so much. I saw big benefits and the opportunities to network. Also, I landed an internship at the Toronto International Film Festival during my program. All the things I did really prepared me to get to where I am right now."
