## About the Registry (Article 26.10 D & E)

The Partial-Load Registry enables **current or previously employed partial-load employees** of Humber College to register their interest in being employed as a partial load faculty for specified academic terms. Registered partial-load employees will be eligible for priority hiring for available partial load work based on the criteria set out in Article 26.10 E of the Academic Employees Collective Agreement. **Important changes to this year's registry form: considering the newly introduced changes to the Collective Agreement (Article 26.10 E), you will now be asked to indicate the maximum Teaching Contact Hours you are prepared to teach for the academic year. Additionally, registration will be for the upcoming academic year (September - August) and the new registration deadline is April 30 of each year.**

- Registration is open as of Thursday December 01, 2022
- The deadline to register is April 30, 2023, at 11:59pm
