

Attention All Humber Students

Join the [International Day of Action for Academic Integrity](#) on October 15/25.

Are you passionate about honest learning and academic excellence? Come be part of a global movement by joining our Humber team for the International Day of Action for Academic Integrity happening at North, Lakeshore, Carrier Drive, or Downtown campuses.

This exciting, fun event is designed for students, and it will be fun, interactive, and inspiring. You'll have a chance to share your ideas, take part in engaging activities, and connect with students from other programs across Humber. It's a great way to show your commitment to integrity, learn about ethical practices, and have your voice heard.

All student volunteers will be eligible to receive an official letter of recognition for their involvement – perfect for your personal portfolio.

Let's come together to celebrate integrity, creativity, and community. If you are interested in learning more about this opportunity contact Jennie Miron at jennie.miron@humber.ca
