

BAERG
Empowering Black Excellence

3RD ANNIVERSARY CELEBRATION

Chenowa George

Lead Governance Committee of BEEAM
(Black Employees ERG At Metrolinx)
Speaker

Karla Avis-Birch

Chief Planning Officer, Metrolinx
Main Speaker

Karla is a civil engineering graduate from Toronto Metropolitan University (TMU). At Metrolinx, she is responsible for a team of over 250 professionals who are at the front end of delivering on a regional transit mission of connecting communities by defining the economic benefits of capital projects and ensuring that those benefits are brought to customers in a way that fosters transit choice, value, equity, and a recognition of the impact on communities and on the environment.

She is committed to being a champion for diversity and inclusion for the people she works with and for the people Metrolinx serves across the Region. She is especially proud of her role as Executive Sponsor of the Black Employee Experience At Metrolinx (BEEAM) ERG.
