

Bookmarking the Chrome River URL

Firefox Browser:

Chrome Browser:

Explorer Browser:

The screenshot shows the Internet Explorer browser window with a search for "Explorer" on Google.ca. The search results are visible, including links to Microsoft Download Center, Windows Help, and Softonic. A "Properties" dialog box is open for the bookmark "mylogin.humber.ca". The URL field in the dialog box contains "http://myexpenses.humber.ca". A context menu is open over the bookmark in the Favorites Bar, with "Properties" selected. Three red callout boxes with arrows provide instructions: "1 Right click the bookmark icon" points to the bookmark, "2 Select Properties" points to the "Properties" option in the context menu, and "3 Input myexpenses.humber.ca into this field" points to the URL field in the Properties dialog box.

1 Right click the bookmark icon

2 Select Properties

3 Input myexpenses.humber.ca into this field
