Event Management Students Secure Fourth Consecutive Win in Ontario Inter-College Competition

DEAN'S MESSAGE

Alvina Cassiani | Senior Dean
Longo Faculty of Business

As we reflect on the culmination of semester-long projects and capstone events, it brings immense pride to witness our students excel in their skills and confidence. The communication and presentation skills developed during our student's academic journey provide them with a clear advantage in today's competitive marketplace and make for some amazing year-end presentations.

Congratulations to Event Management students for securing the top spot in the Ontario-wide inter-college Event Management competition for the fourth consecutive year. I'd also like to congratulate the Financial Planning students for their outstanding performance in the regional Canadian Institute of Financial Planners Case Challenge Competition, earning them a well-deserved spot in the nationals.

Culinary and baking students were actively engaged in various events, including their participation in the Humber Pastry Cup as well as captivating audiences in onstage cooking and culinary skills demonstrations at the National Home Show - embodying our commitment to hands-on learning experiences.

Meet six of the award recipients for the Longo Faculty of Business Special Awards. Their exceptional dedication to academic excellence truly embodies the spirit of "Business At Its Best" at the Longo Faculty of Business.

Read on to find out how our students are preparing for industry success and taking their educational pursuits to new heights.
