DEAN'S MESSAGE

Alvina Cassiani | Senior Dean
Longo Faculty of Business

As we begin a new calendar year with all the excitement that comes with fresh starts and renewed resolutions, we continue to mark stories of achievement that underscore business at its best.

The ACE (Achieve, Connect, Empower) Humber team soared to victory in the RBC Insurance Challenge category at the ACE Canada Nationals 2024 Case Competition, a testament to their hard work and dedication to leadership.

Students at the Longo Centre for Entrepreneurship (CfE) showcased their entrepreneurial prowess through a series of hackathons and the Longo Family Be Your Own Boss (BYOB) program, embodying our commitment to hands-on learning experiences.

Our students' educational journey was further enriched through partnerships with industry leaders, as demonstrated by the collaboration between Fashion Management students and Yorkdale Shopping Centre with a goal to create a Lunar New Year gift guide. Marketing Management and Advertising - Media Management students teamed up with Maple Leaf Sports and Entertainment (MLSE) and Campfire Circle to promote Marlies tickets, with proceeds supporting the Campfire Circle charity.

These accomplishments show how our educational framework and entrepreneurial spirit serves as a catalyst for students, professors, and alumni to reach their goals in business.

Be sure to explore more highlights, from enriching class field trips to inspiring graduate success stories.
