DEAN'S MESSAGE

Alvina Cassiani | Senior Dean
Longo Faculty of Business

As we reflect on October, we can see why the **Longo Faculty of Business** is a beacon for high achievement and groundbreaking development.

A talented team of five students from programs across Humber College showcased their excellence at the 2023 KEA Charrette in Copenhagen. In addition, our Supply Chain Management students earned a remarkable third place in the Association for Supply Chain Management Case Competition, effectively highlighting our students' potential on the global stage.

Moreover, students actively embraced numerous learning opportunities throughout the month, with Fashion Management students volunteering at Canada's Bridal Show, Hospitality and Tourism Management students delving into agrotourism exploration in Muskoka, and Insurance Management students networking at the IBAO Conference. These diverse experiences empower students to gain practical skills, expand their knowledge, and develop valuable connections in their respective fields.

Keep reading the Dean's News for these and other success stories.

WE ARE
BUSINESS AT ITS BEST™
