FGI X Fashion Art Toronto: A Night of Creativity, Connections, and Inspiration

International Students Explore Canadian Culture

The Longo Centre for Entrepreneurship Hosts Futuristic Fashion Hackathon in Partnership with Industry Leaders

DEAN'S MESSAGE

Alvina Cassiani | Senior Dean
Longo Faculty of Business

As we enter the fall season, it's a great time to reflect on the accomplishments of our students and faculty. October has been filled with remarkable achievements, global learning opportunities, and industry connections that continue to shape the future of business education.

A highlight this month was the outstanding performance of our Professional Golf Management students, whose dedication to both their studies and their sport was on full display. Congratulations to Elaine and Matthew for their remarkable gold medal victory at the 2024 Ontario Colleges Athletic Association (OCAA) Golf Championships! Their success is a true reflection of the high standards of our program and the hard work they put into honing their craft.

Equally exciting is the launch of our new monthly 'Meet the Boss' series, where students and alumni share how they've harnessed entrepreneurial strategies to drive innovation and grow their own businesses. These inspiring stories offer valuable lessons for our students and demonstrate the diverse paths that a business education at the Longo Faculty of Business can open up.

Our global learning opportunities continue to thrive, with students embarking on life-changing study abroad experiences in destinations such as Denmark, France, Italy and Scotland. These programs are expanding our students' horizons, giving them the opportunity to engage with the world in meaningful ways.

As we reflect on these accomplishments, let us celebrate our shared success and continue to support one another as we strive for even greater achievements in the months ahead.

Stay tuned for more inspiring updates from our community!

WE ARE BUSINESS AT ITS BEST™
