[About the Centre for Human Rights, Equity & Inclusion](#)

The Centre for Human Rights, Equity & Inclusion (Centre) provides programs and services that recognize the intersectionality and interlocking of socially constructed identities. All Centre initiatives integrate a holistic framework that extend beyond binaries and addresses the simultaneity of the individual's experiences. This intersectional and integrative approach, grounded in a practice of care, is woven throughout the Centre's programs and services. The Centre ensures that equity, diversity and inclusion are instilled throughout Humber.
