

WE ARE CHALLENGING YOU

GLOBAL CHALLENGE – CLOSING CEREMONY

Thank you to the Humber community for your overwhelming support and participation during the Virgin Pulse Global Challenge 2018.

With 51 eligible teams, this year we managed to cover a total distance of over 246,000 kilometers! What an incredible feat!

There were also many other achievements made over the 100-day journey that we would like to recognize and celebrate. And so with that said, we are pleased to invite you to join us for our closing ceremony, where along with President Chris Whitaker and members of the Executive Team, we will be acknowledging and awarding our top performers during the challenge:

Date: Friday, January 11, 2019

Time: 11:00 AM – 12:00 PM

Location: E135, North – Lecture Theatre Concourse

Congratulations to all participants on embracing the challenge and going the distance.

A special thumbs up to our top 3 teams who altogether have travelled over 25,000 km!

1. ITFembots (Over 8,700 km)	2. Running as a Service (Over 8,500 km)	3. The Dream Team (Over 8,300 km)
