

# ETC VIRTUAL LUNCH & LEARN SERIES

The Educational Technology Committee (ETC) is hosting a series of **FREE Virtual Lunch & Learn Webinars!**

## H5P Interactive Content: NOT a Barbeque Sauce!

October 31, 2018, 12pm-1pm

Participants will learn about the open ethos of H5P, the various content types currently available, and the content and learning management systems that currently support H5P interactive content.

## Interface & Interaction

November 14, 2018, 11am-12pm

This workshop will explore how instructors can ensure student engagement in their online courses by maintaining a well-organized interface and providing learners with multimedia activities.

## Creating Accessible PowerPoint Documents

November 28, 2018, 12pm-1pm

In this workshop, we will look at and apply accessibility guidelines for creating digital content to PowerPoint presentations.
