Each course row has a 'Critical Skills' button and a 'Hide all programs' link. The first row, 'ORID 001 Research Assistant Tutorial', is highlighted with a red box.

3. Select the 'Add to Cart' button

The screenshot shows the Humber Destiny One interface with the 'ORID 001 - Research Assistant Tutorial' course selected. The course description is on the left, and the course details are on the right. The 'Add to Cart' button is highlighted with a red box.

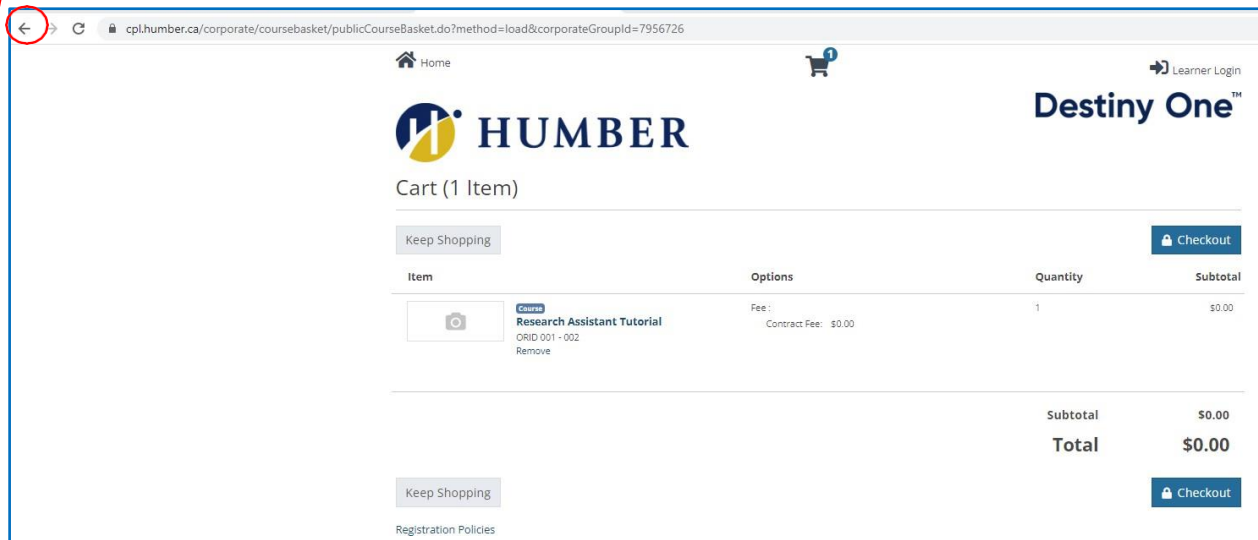

Course Description:

As a new student research assistant (RA), you will be working with an investigator to answer a research question. Before doing so, you will learn about the research process and some of the activities that you may be asked to assist with. Through this interactive tutorial, you will be introduced to research methods, ethics, project management techniques, literature reviews, data collection and analysis, and report writing. Once you have completed the tutorial you will receive a Certificate of Completion.
