# ADVISING

## COMMUNITY OF PRACTICE

The Advising Community of Practice (CoP) is an opportunity to connect with advisors on campus to share ideas, collaborate on best practices and discuss new approaches to advising.

### OUR FOCUS:

- Promote communication and problem-solving across the institution
- Provide support and professional development opportunities
- Share best practices and resources
- Identify issues that require advocacy

### WHO CAN JOIN:

All staff who provide support to students and help contribute to their success at any stage of their post-secondary journey while at Humber.

### HOW TO JOIN:

If you are interested in joining the Advising CoP or want more info, please email: [advisingcop@humber.ca](mailto:advisingcop@humber.ca)
