

We're making changes to serve you better West Humber Trail!

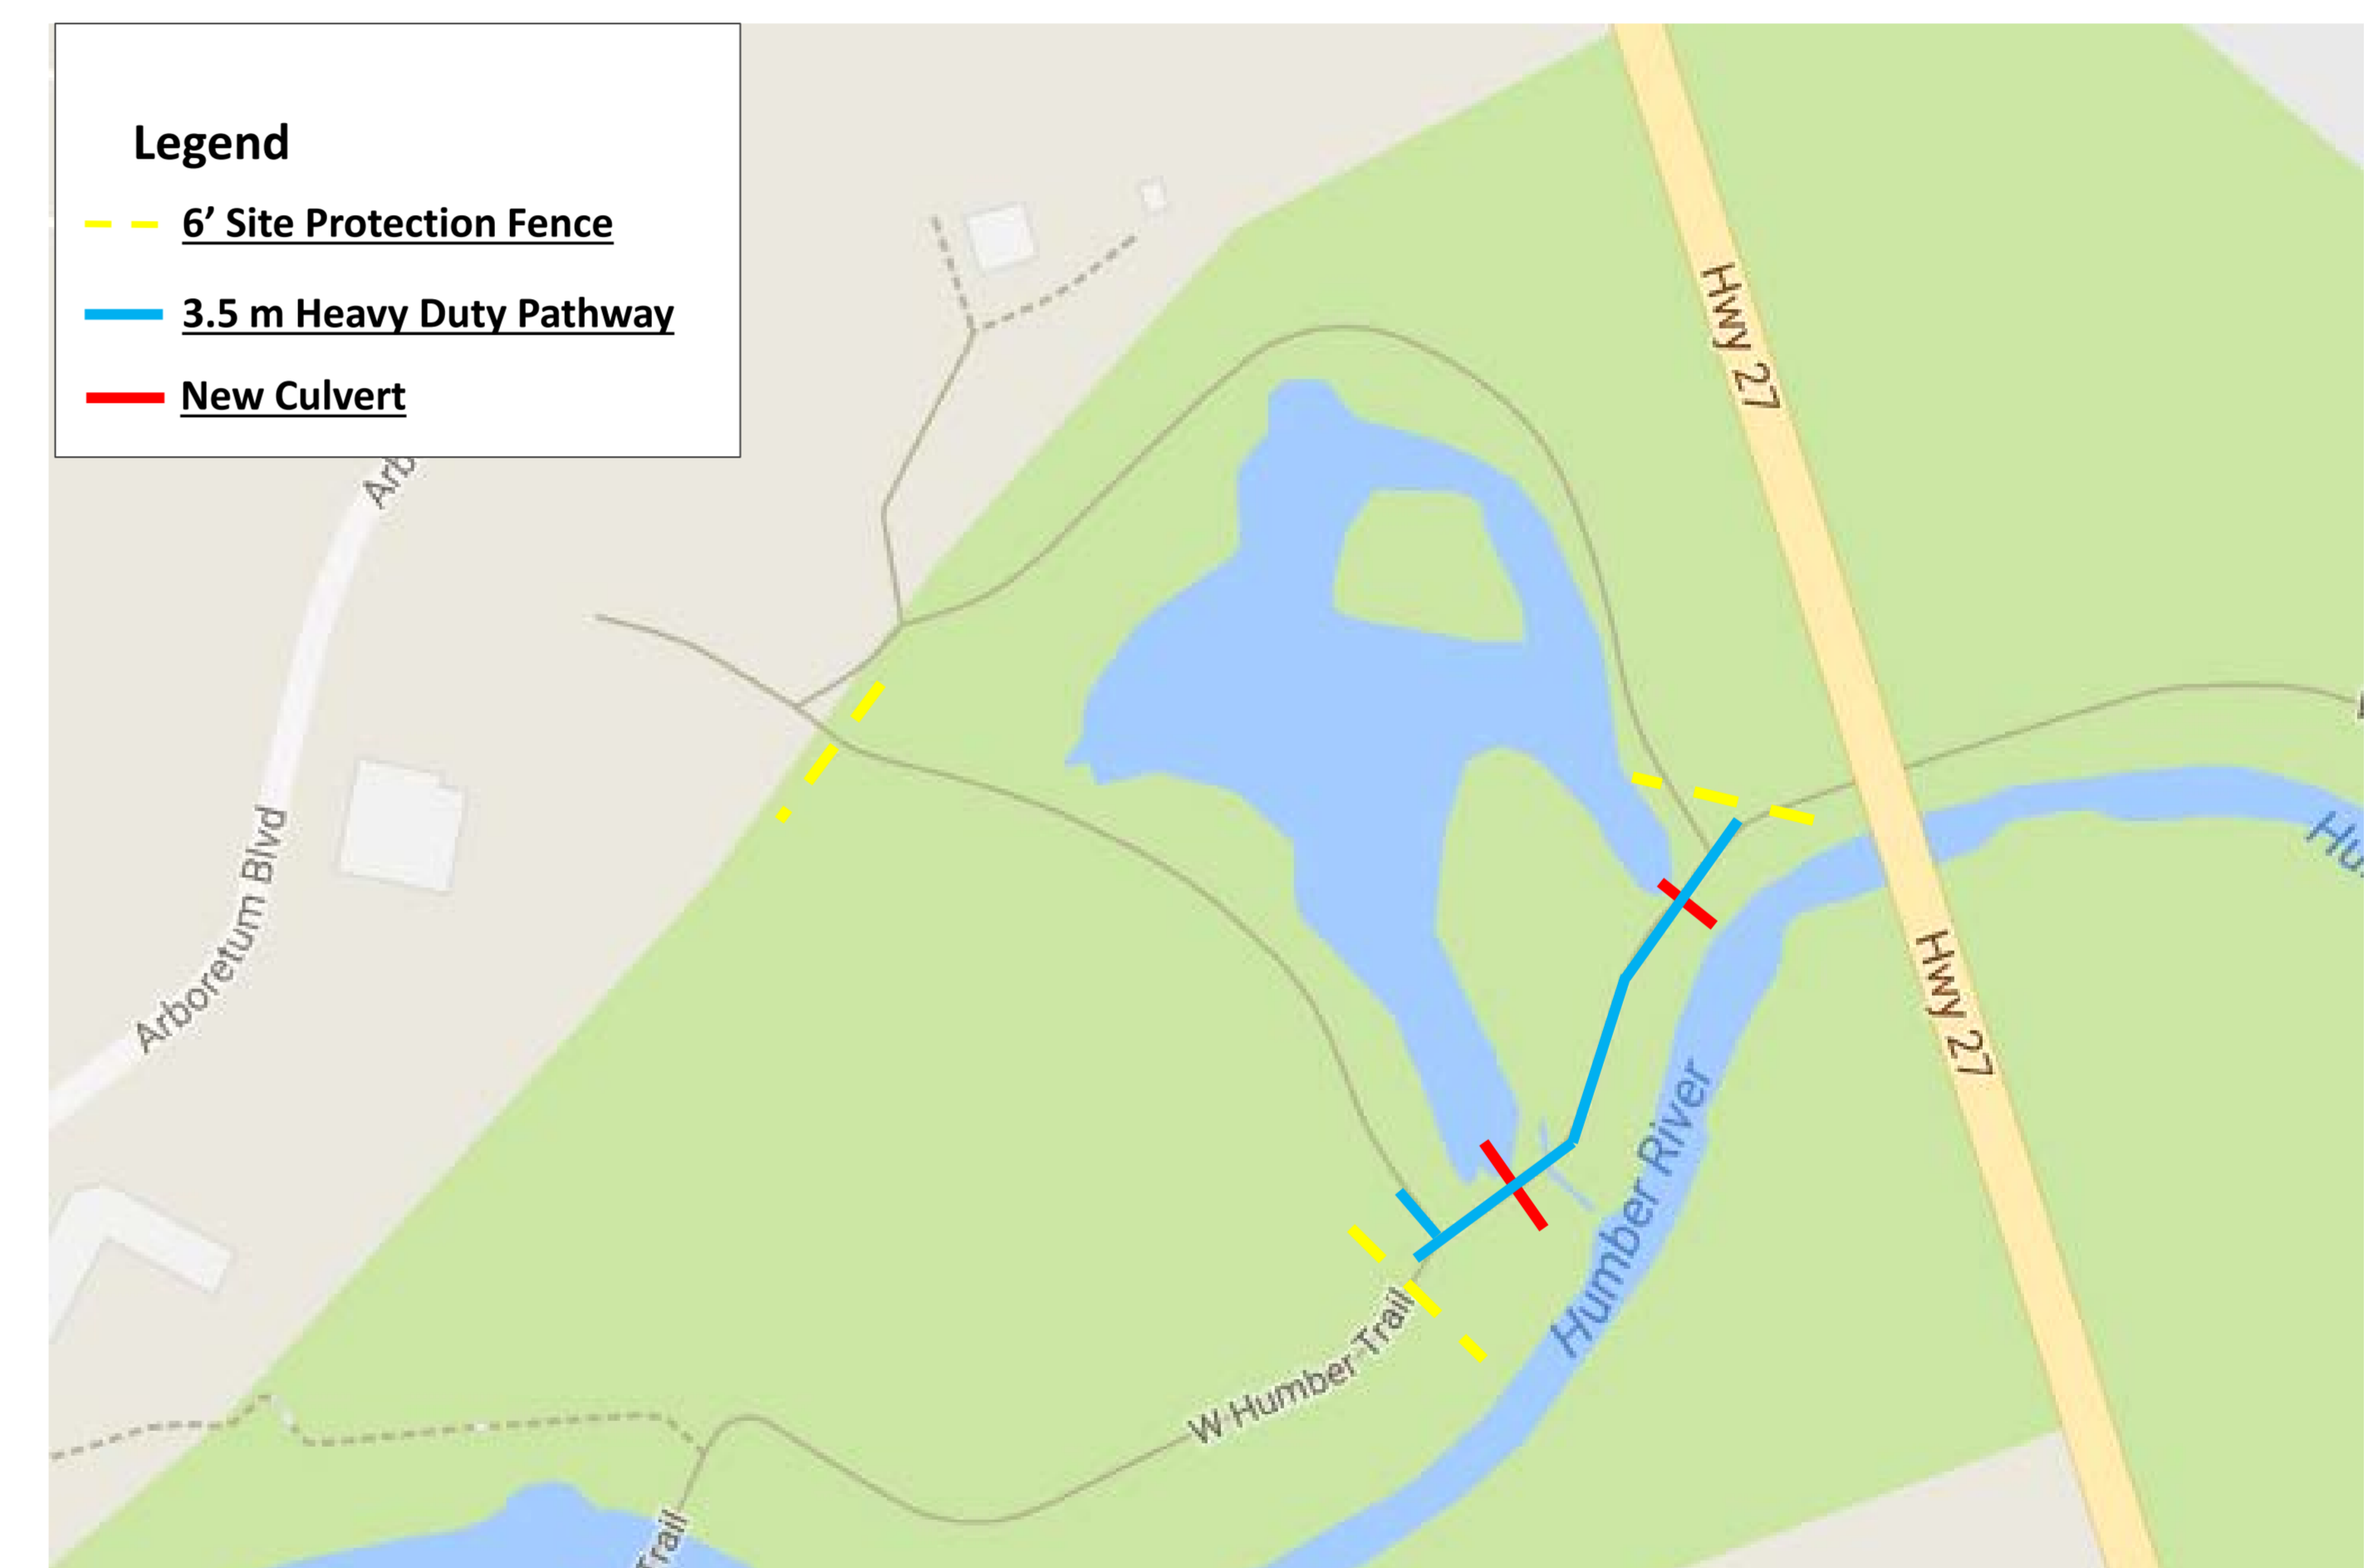

Pathway Rehabilitation Project

Parks, Forestry and Recreation will be carrying out the rehabilitation project commencing Sept. 2017.

The anticipated project schedule is as follows:

- Construction is to commence Sept. 2017
- Completion is anticipated in Nov. 2017
(Weather Permitting)

The work involves the implementation of new pathways including new culverts from the pond to the Humber River. The pathway will be **CLOSED** during construction. Please use alternate routes during this time.
