Your name

As part of our **Mandatory Security Awareness program**, you have been enrolled in Education Training Module - Winter 2026 due March 31, 2026.

The assignments you've been enrolled in are displayed below:

- [What Is Generative Artificial Intelligence?](#)
- [AI Chatbots: Understanding Their Use, Risks, and Limitations in the Workplace](#)
- [AI and Protection Against Cybercrime](#)

Please use this link to start your training:
<https://training.knowbe4.com/auth/saml/976140930bf42>

Thank you for helping to keep Humber College safe from cybercrime.

IT Security
Information Technology Services

It is **NOT** junk, but mandatory cybersecurity training. The training will take approximately 20 minutes (total) for all three modules. **ALL** Humber staff are expected to complete this training by March 31, 2026.

Stay Aware! Stay Safe!

You can also download the Knowbe4 app from the App Store or Google Play.
