Celebrating International
Development Week at Humber

DEAN'S MESSAGE

Alvina Cassiani | Senior Dean
Longo Faculty of Business

Brimming with enriching experiences, notable achievements, and promising opportunities, February 2024 has been nothing short of impactful.

The collaborative efforts of the Work-Integrated Learning (WIL) Centre and the Humber Society of Accounting Students (HSAS) culminated in a highly successful Accounting Career Fair which saw a turnout of over two hundred and fifty students. All proving that we help students make the right connections while gaining the experience required to launch successful business careers.

International Development students and alumni celebrated International Development Week with a whirlwind of activity. The week was heralded by guest speakers and included interactive workshops, and networking events, all aimed at fostering growth and collaboration within the field.

Our faculty are pivotal in shaping the academic and professional landscape of business. Their dedication is evident through the publication of expert resources, participation in insightful interviews, and the well-deserved recognition received through various awards. Their valuable insights and innovative learning experiences elevate us to the forefront of excellence in business education.

Read on for highlights from alumni successes to community outreach initiatives.
