DEAN'S MESSAGE

Alvina Cassiani | Senior Dean
Longo Faculty of Business

Welcome professors, staff, and students to a new academic year at the **Longo Faculty of Business**. With a fall start, comes fresh new opportunities: Hospitality students forged meaningful connections with industry professionals at the Fairmont Networking Event, Fashion students volunteered at the 'Fashion on Fire' show to support the Arthritis Society Canada, and the Fall Hackathon challenged participants to devise innovative solutions for everyday student challenges.

We are pleased to announce Navacord's partnership with the Insurance Management program. At the core of this collaboration lies a \$25,000 donation for a program scholarship that aims to recognize academic excellence while also providing financial assistance to Insurance students.

Congratulations to the Bachelor of Commerce – Marketing degree students who secured the top spot in the 2023 Safe Roads Competition. This marks the third victory for Professor Na Sui's students within the competition's five-year history - a true testament to business excellence.

Our highly experienced professors continue to guide students to success in and out of the classroom, as well as continuing to represent business at its best. Read on for more September success stories.
