

## Library Services for Faculty and Students, Fall 2021

*Humber Libraries is now open for in-person and online support at North Campus, Lakeshore and the new International Graduate School.*

*Here are some of our key services and supports below.*

**Explore our extensive collections**, including over [3 million eBooks](#), [105,000+ eJournals](#), [157 eResources](#), and [191,000 streaming videos](#). Recent database purchases include [Oxford Very Short Introductions](#), [Statista](#), [IEE Explore](#), [Oxford What Everyone Needs to Know](#), [Simply Analytics](#), [JoVE](#) and more!

**Encourage new students to complete a virtual, self-guided library tour:** Featuring videos and short activities, students will explore the library website, learn about online library supports and services, search Discover, and more in this [basic, self-guided and interactive library tour](#). Integrate this into a first-year class as a helpful addition to your course learning materials.

### Visit us in-person and online for research help:

Our research help desks are now open in the library or visit the library's [Research Help page](#) for online support, including our askON chat service, and one-on-one appointments with a librarian.

### Connect with your faculty liaison librarian

- Book [research appointments](#) to discuss research and course material needs.
- Explore our [Research & Digital Literacy Instruction](#) menu, and work with a librarian in your classroom.
- Contact your [liaison librarian](#) via email to ask questions about collections or discuss ideas!

### Discover new curriculum and research resources to use in the classroom, including:

- [Research guides](#) tailored to your program or specialized topics, which can be linked to in Blackboard. Featured guides include our new [2SLGBTQ+ Resource Guide](#), [Sustainability](#) and [Indigenous Research Guide](#).
- [Interlibrary Loan](#) service providing free access to materials not held by Humber Libraries.
- [Self-help videos](#) on research and [APA 7th edition](#)
- [The Learning Portal](#) is available to students and faculty and includes tips on research, writing and study skills as well as a faculty toolkit.
