

GOOGLE SUITE OF APPS

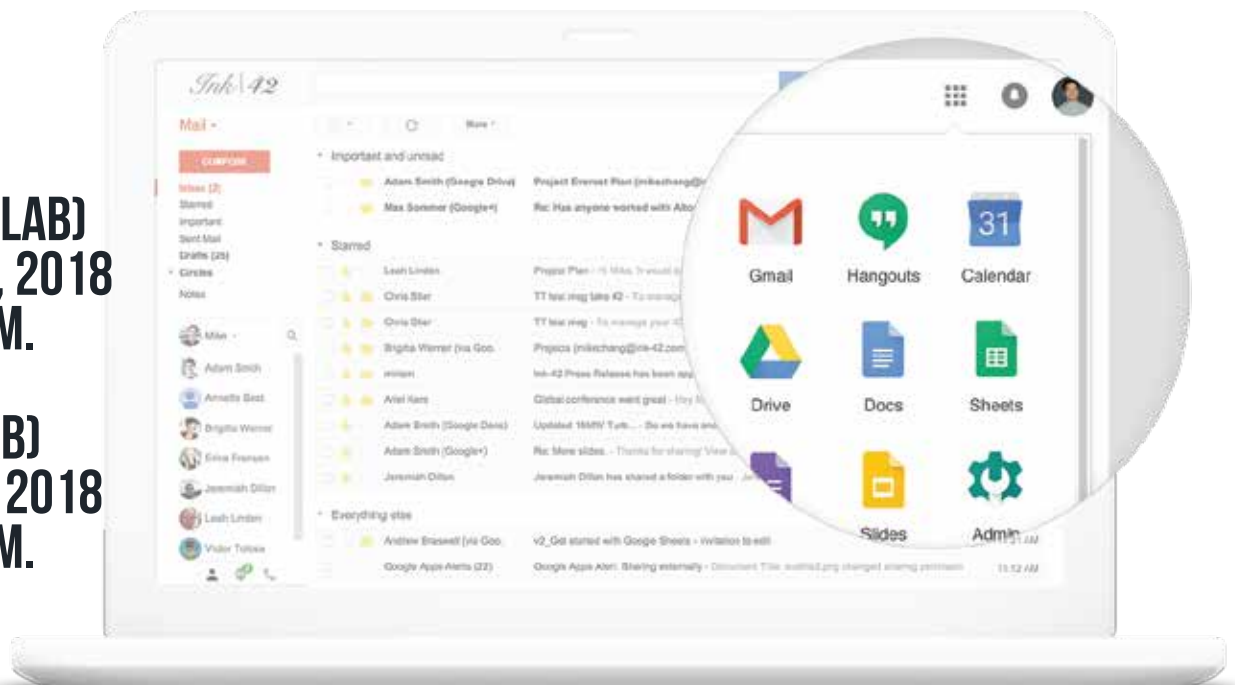

Learn how the Google suite of free apps facilitates sharing and collaborating learning practices. In this hands-on workshop, we will explore the apps that are useful in an educational setting, inside and outside of the classroom. By the end of the workshop, you will have a working knowledge of Calendar, Docs, Sheets, Slides, Drive, and Keep. Both web and mobile apps will be explored.

If you have a suggestion for a Tech Talk,
Please contact Mark Ihnat
mark.ihnath@humber.ca or Ext. 4752
