

# Massage Therapy Program Student Clinic

## Winter 2021

**Humber's Massage Therapy Program Student Clinic offers appointments to everyone - faculty, staff, students and members of the community.**

Students in Humber's 3-year advanced diploma Massage Therapy program offer this service as part of their on-campus internship, which is a component of the program curriculum.

### Clinic Fees:

1st appointment = FREE

Students: \$13.28 + 13% (\$1.72) = \$15.00

Other: \$22.13 + 13% (\$2.88) = \$25.00

### Treatment Plans:

For those who are new to the clinic, a massage therapy student will conduct a patient examination and create a treatment plan specific to your needs. You will be booked for a subsequent visit for the length of time recommended.

Note: The treatment plan may be modified over time as you progress or your massage therapy student determines that changes are required.

Please note all government safety protocols have been put in place in the Massage Therapy Program Student Clinic in order to keep our staff, students and patients as safe as possible. We also require patients to be wearing a face mask while in the clinic at all times.
