

January 21, 2020

To Humber Faculty, Support Staff and Administrators;

The Mentoring Partnership is a Toronto Region Immigrant Employment Council (TRIEC) program that brings together skilled new immigrants and established professionals in occupation-specific mentoring relationships.

Humber is a corporate and community partner of the Mentoring Partnership program and I currently sit on the Board of Directors. On behalf of the program, I invite you to consider volunteering your time to this important initiative. Humber staff can play an important role in mentoring internationally trained professionals by offering valuable advice and insight to help them understand Canada's workplace cultures.

As a mentor, you give 18 hours of your time over a three-month period to help a skilled newcomer navigate through the job search process. As a result, you will benefit in the following ways:

- Enhanced leadership and coaching skills;
- Improved cross-cultural communication skills;
- Gain a better understanding of the skills and experiences that immigrants bring;
- Become more aware of the job market and industry trends.

During this time you will also have the opportunity to participate in a mentoring and coaching professional development program:

- Including workshops, webinars, online modules and networking events
- Earn PD Credits towards your HRP or CPA accreditation

Mentors are needed from many occupations, including IT / Business (Supply Chain/Project Management), Sales/Marketing, Finance and Accounting, Engineering/Architecture, Healthcare, Research and Development, Media/Communications/Public Relations, Human Resources, Social Services, Education, etc. - all the skills that we have at Humber.

We invite you to attend an Information Session to learn more about how you can volunteer to be a mentor – and make a difference to an internationally-trained professional's job search.

WHEN

Date: February 20th, 2020

Time: 1:00 pm to 3:00 pm

WHERE

LRC 6104 – President's Boardroom

North Campus
