

## Panopto Workshops – Week 1

The Centre for Teaching & Learning is pleased to offer, in partnership with Humber Libraries, a number of [workshops](#) to get you off to a great start with Panopto. While we recommend all three workshops, the Intro to Panopto workshop is a crucial component for all faculty to be successful in using Panopto at Humber. See below for workshops coming up next week.

### Intro to Panopto: Humber's New Streaming Video Platform

Come learn about Panopto, Humber's new streaming platform. Topics include: uploading a video, enabling closed captioning, navigating the Humber folder structure, and leveraging Panopto's built-in "Smart Search" to maximize your content discovery, amongst others. We highly recommend taking this workshop before attending the other Panopto workshops.
