### EXCLUSIVE Resilience-Based Leader Program (RBLP®) Training Provider in Canada

#### Expand Your Career Opportunities

It has never been more important for leaders to have the ability to adapt to change in the workplace. Resilient leaders know how to pull a team together, work through adversity and adapt quickly to change. Employers look to resilient leaders to ensure the short- and long-term success of the organization.

In response to this growing need, Humber is thrilled to introduce our NEW Building & Leading Resilient Teams Certificate in collaboration with the Resilience-Based Leader Program®. Humber is proud to be the exclusive RBLP®-approved training provider in Canada.

This certificate program is specifically designed to accommodate seasoned, new, and aspiring supervisors, managers, and senior leaders.

#### Professional Designations

Completing the Humber Building and Leading Resilient Teams Certificate satisfies the training requirements for all three levels of Resilience-Building Leadership Professional® (RBLP®) certification exams.
