A SNAPSHOT OF SCHOLARLY ACTIVITY HAPPENING IN THE CTL THIS MONTH AT HUMBER

JANUARY 2018 | NEWS FROM THE CTL SOTL TEAM

## SCHOLARS' CAFE

The Scholars' Cafe is a new CTL initiative this year. It's a chance to meet with other faculty over coffee, to discuss the latest in the teaching and learning literature. It's like a book club, but for journal articles.

The Scholars' Cafe meets at 10 a.m. on the first Friday of each month, at the North campus in D225I, and via satellite from the Lake campus in F103. During the session, faculty engage in informal discussion about a selected paper from the teaching and learning literature.

This month's paper is entitled "Innovative Methodologies for 21st Century Learning, Teaching and Assessment: A Convenience Sampling Investigation into the Use of Social Media Technologies in Social Media". Interested in giving it a read? Read it [online](#), or email Renee Burt ([renee.burt@humber.ca](mailto:renee.burt@humber.ca)) to request a copy.

Please join us for coffee and a collegial discussion on Friday, January 5 from 10:00 a.m. - 11:00 a.m.

## CALL FOR PAPERS

Have some data you are looking to publish? The Journal of Innovation in Polytechnic Education (JIPE) accepts papers on an ongoing basis. JIPE is an online, open-access journal devoted to publishing peer-reviewed papers that investigate and expand teaching and learning within the polytechnic educational context. JIPE especially encourages contributions exploring the impact of innovative teaching and learning practices that push the boundaries of traditional approaches to learning or educational delivery. The journal publishes original empirical papers, brief reports, review papers, and Innovation Spotlights. For more information, visit [www.jipe.ca](http://www.jipe.ca)
