Room: Welcome Centre 304A

**North Campus**

Date: April 19, 2018

Time: 12:00 p.m. – 1:00 p.m.

Room: LRC 6084

**Session Description:**

Social Media such as Facebook, Twitter, and YouTube is changing how people interact with one another and how we gather information. With the increasing use of social media in classroom instruction and as a communication tool for faculties and departments, it is essential that our social media practices are accessible.

At this Lunch & Learn session attendees will learn quick tips and gain resources on accessible social media practices.
