

Pathways to Human Rights Education & Action: Integrating Head and Heart Human Rights Training Sessions for 2019/2020

The Centre has recently launched Humber's updated Human Rights Policy and Complaint Resolution Procedure. The Ontario Human Rights Commission requires that all employers provide ongoing education and training on the organization's human rights policy. As such, all Humber employees (full-time, non-full time, work study) are required to update their knowledge of the Human Rights Policy and Complaint Resolution Procedures.

Please note: All Humber employees who have attended a Humber's Human Rights Training session prior to **August 2018**, are required to refresh their knowledge of Humber's Human Rights Policy & Complaint Resolution Procedures.

To facilitate your attendance, training sessions will be offered throughout the 2019/2020 academic year through an online registration process:
