

HACKATHON

Want to do something about the health effects of climate change in Toronto?
Form a team, build an idea and pitch it!

Date: October 13-15

Time: Starts at 6:00 PM on October 13th

Humber College - Lakeshore Campus

Participating teams will compete in a pitch contest on October 15 to win cash prizes up to \$1,500, partnerships with community organizations to implement their ideas, and mentorship from community leaders.

Humber College students are also eligible to receive a Co-Curricular Record Credit for participating!
