# Windows 7 Support is Ending

As of January 14<sup>th</sup>, 2020, Microsoft will no longer be providing security updates or support for computers with Windows 7.

Information Technology Services has identified a number of outstanding Humber computers that are still running Windows 7. As a result, Humber College will be decommissioning the Windows 7 operating system.

Please submit a [Re-image a Computer](#) eForm as soon as possible to arrange an upgrade to Windows 10.
