## HANDS-ON DATA

# ANALYTICS WORKSHOP

**DON'T MISS THE CHANCE TO LEARN AND PRACTISE THE BASICS OF DATA ANALYTICS, ONE OF THE MOST IN-DEMAND SKILLS FOR 2019 AND BEYOND**

In this hands-on workshop, Ashley Bennington, Senior Consultant, HR Analytics at CGI, will show you how to transform data into a powerful narrative used to make business decisions.

In the morning, you will learn practical skills in MS Excel\*, including using pivot tables for data mining, creating data visualizations and building reports.

During the afternoon, you will apply the skills you've learned to begin data mining. Use the dataset that Ashley will provide or feel free to bring your own.

\*Please bring your own computer
