

HUMBER THEATRE PRESENTS

THE
INFINITY
MACHINE

*A labyrinth of madness and joy. Spiritual, athletic, dreamy and dark,
The Infinity Machine is cutting a path through space.
Countless humans are transforming.*

*Adrift among the left behinds and wandering wreckage of life, they vie
for immortality, colliding in triumphant explosions of love.*

Directed, Written and Choreographed by Sharon B. Moore
In Collaboration with the 2019 Graduating Theatre Performance
Class and the Theatre Production Program
