CLASS DESCRIPTIONS

Fall 2025

Booty & Core

Train regions of the lower body and core with this strength class. Workouts will focus on the abs, glutes, legs, and lower back using light weights and body resistance.

Carnival Spice

Strengthen and tone your body to the Caribbean rhythms of Soca, Dancehall, Latin, and more. It includes a variety of dance moves guaranteed to get your vibes flowing and your heart pumping. Open to all experience levels.

Circuit Training

This class is a combination of muscle conditioning and cardio utilizing interval and circuit training. Get ready to sweat and strengthen your entire body.

Cycle & Circuit/ Core

Something for everyone! Intervals, rolling hills, sprints, climbs, runs, surges and jumps all to music hand-picked to motivate and inspire! We will add in some weights and core for a full body workout! Come on in for the ride!

Core & Stretch

This 30-minute class combines core-strengthening exercises with gentle stretches to improve flexibility, stability, and muscle tone. Perfect for all fitness levels, it's a quick way to strengthen and unwind!

Intro to Strength Training

Kickstart your strength journey with our 5-week Intro to Strength Training program for a fee of \$25+HST **for Students, \$75+HST for Staff Members! Pre-registration required at the Fitness Centre office. Office Hours: Mon-Thurs:10AM - 6PM | Fri: 10AM - 4PM**

Mobility & Stretch

Improve your body's freedom of movement in our Mobility Class. Our expert-guided session focuses on enhancing joint flexibility, functional range, and overall mobility. Whether you're an athlete or seeking greater everyday comfort, this class will help you move with ease and confidence.

Pilates - Balance & Stability

Build core strength, improve posture, and enhance stability through controlled Pilates movements designed to challenge balance and coordination.

Pilates / Pilates on the Ball

Pilates: A full-body workout focused on core strength, posture, and flexibility through controlled movements that build stability and balance. **Pilates on the Ball:** This class maintains the same principals but uses a stability ball to add variation.

Pilates - Strength & Stretch

Low-impact mindful strengthening and flexibility exercises targeting the whole body.

Reps & Sets

This low-weight, high-rep class will be sure to get your heart rate up and show you that you don't need much to get your sweat on!

Strength & Cardio

A combo of strength and cardio exercises using either your body weight or weight (Dumbbells, bands, barbells etc).

Strength & Stretch

This class is designed to increase physical strength through weight-bearing and resistance exercise. All major muscle groups are worked from head to toe. We finish with core training and stretching for a complete workout.

W- Beginner Strength & Cardio

Beginner Strength & Cardio: This class is focused on dedicating more time to teaching and practicing exercises before completing the workout. Great way to start your fitness journey.

A combo of strength and cardio exercises using either your body weight or weight (Dumbbells, bands, barbells etc).

Women's - Sessions are inclusive of anyone who identifies as a woman. We invite participants to select the session that best suits their comfort, and we extend a warm welcome to cisgender, transgender, and non-binary individuals.

Beginner Strength & Cardio - Open to all

Yoga

Yoga: Classes will help you escape from the stresses of daily life as well as to increase your flexibility, strength and help your concentration. Come discover a new kind of inner strength. Each instructor utilizes their own style of teaching.

Vinyasa Yoga - These classes string postures together utilizing breath and movement. It leans toward strength building as poses are held longer and moved through more quickly. A knowledge of sun salutation's is recommended.

Gentle Yoga & Meditation - Postures are taught slower but fluid and your practice ends with a relaxing meditation!

Zumba

Ditch the routine and join the party! ZUMBA is a cardio based workout that combines Latin and other international music to create an interval training class that is both fun and easy to do!

Strong by ZUMBA

Start training to the beat. STRONG Nation® combines body weight, muscle conditioning, cardio and plyometric training moves synced to original music that has been specifically designed to match every single move.

DISCLAIMER:

We ask that you consult with your physician or healthcare professional before starting any fitness program to know if it's right for you. Particularly if you or someone in your family has a history of high blood pressure or heart disease. If you have ever experienced chest pain when exercising or have experienced chest pain in the last month when you have not engaged in physical activity. If you smoke, have high cholesterol, are obese, or have a bone or joint problem that could be made worse by a change in physical activity. Do not start a fitness program if your physician or healthcare provider advises against it. If you experience dizziness, pain or shortness of breath at any time while exercising you should stop immediately and consult a doctor.
