An update from the Creative Studios

Looking for the latest in relevant video tutorials? Humber's Panopto Support Team has launched "Featured Videos" – a curated collection of videos brought straight to your Panopto homepage. The new section will rotate in response to the teaching season, bringing you content that is relevant for when you need it most. [Login to discover the changes.](#)

Looking for more? Use Panopto's powerful search feature to discover new content, or navigate to the [Learning Continuity Support folder](#) for a complete collection of videos created to support your teaching.

We want to hear from you! In order to be as responsive to your needs as possible, please take a moment to let us know what you need help with right now. We tailor our programming according to you!
