Faculty Handbook 2021 2022
Land Acknowledgement:
Honouring the Land and Peoples of Adoobiigok

Humber College is located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the “Place of the Alders” in Michi Saagiig language, the region is uniquely situated along Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and the Lake Simcoe/Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.

WELCOME LETTER
Welcome Letter

Dear Faculty,

It’s the start of another great year at Humber College. On behalf of the executive and administrative teams, I would like to extend a warm welcome to you all.

The last two academic years were marked with tremendous change as we adapted to changing public health and government directives during the pandemic. Faculty members played a critical role in providing the best online and in-person education possible, all while supporting our students during a difficult time.

Our community continues to focus on providing rich, career-focused education that prepares graduates for success. This fall we are planning to offer more in-person and on-campus activities and services. As we enter a term of transition, I hope you are looking forward to an incredibly productive, creative and rewarding experience.

Humber has a long-standing history of providing a high-quality polytechnic model of education. Today, the college offers more than 220 full-time programs and a comprehensive suite of continuous professional learning offerings. We serve more than 33,000 full-time and 23,000 part-time students and professional learners across six faculties and three locations: North Campus, including the University of Guelph-Humber, Lakeshore Campus and the Humber International Graduate School. We are a diverse community that is future-focused; dedicated to student success and experiential learning; and to teaching and learning excellence.

Each of our programs is designed to meet the needs and vocational interests of our students. However, our students can only excel when you, the faculty, create a supportive and dynamic learning environment that places student success at the centre of your teaching practice. You play a pivotal role in creating a rich academic experience for students through your commitment to using the latest technology and teaching methodologies in state-of-the-art labs and classrooms that simulate a real-world working environment.

While some of you will be teaching on campus and others online this fall, this handbook is designed to help you become familiar with the facilities and virtual resources available to support you as a faculty member at Humber.

It also contains some of our key policies and procedures that we feel will help contribute to and enrich your experience teaching at Humber. While my hope is that the information contained within these pages will answer many of your questions, please feel free to ask for additional assistance when needed, from any of the individuals listed in this handbook. Our doors are always open and we encourage you to share your successes with us.

I wish you all the best as you begin a new academic year at Humber and thank you for your dedication to our students and their academic success.

Chris Whitaker
President and CEO
Humber College Institute of Technology and Advanced Learning
**Special note regarding COVID-19**

Many descriptions in this handbook correspond to on-campus activity and departments. We have endeavoured to include online contacts and resources wherever possible and appropriate. We recommend that you contact departments and services by email or phone before attempting to visit them on campus, in the event that they are remaining off-campus for the time being.

**Teaching Resources during COVID-19**

In addition to the teaching supports and resources described throughout this handbook, Innovative Learning has developed a number of resources for those currently teaching online during the pandemic.

**10 Steps to Building your Course Online:** For those developing and delivering online courses in 2021-2022, there are a number of resources and online training modules that have been developed to support the process. Visit the “10 Steps” website at this link. Various support departments are also linked to that site.

**Bookable Services:** Faculty may book a member of the Innovative Learning team for a number of services, including: a review of online course pages to ensure it reflects Humber’s standard for online courses; a team member can ‘sit-in’ on a faculty member’s first online class session for the first 15 minutes, to help make sure everything goes smoothly; team members are available for individual consultations surrounding instructional design and online delivery strategies. To book a member of the Innovative Learning team, visit:

[https://humber.ca/teachingandlearning/meet-the-team/](https://humber.ca/teachingandlearning/meet-the-team/)

**Online Training Sessions:** In addition to the live webinars that take place during the semester, a number of online training sessions have taken place over the past six months, on a variety of topics related to online teaching. To access these recordings, visit:

[https://sites.google.com/view/learningcontinuitykit/home/attend-virtual-training#h.k37wh3nfoq8d](https://sites.google.com/view/learningcontinuitykit/home/attend-virtual-training#h.k37wh3nfoq8d)

**About Humber**

Humber, a member of Polytechnics Canada, is committed to student success through excellence in teaching and learning and experiential learning opportunities for students. Humber’s broad range of career-focused credentials include bachelor degrees, diplomas, certificates and Ontario graduate certificates. With more than 220 full-time programs and 1,400 continuing education career-building and general interest courses to choose from, Humber students have access to many opportunities for continuous learning.

**Vision**

Transforming post-secondary education through global polytechnic leadership.

**Mission**

Humber develops global citizens with the knowledge and skills to lead and innovate.
Values

**Courage**
We are bold in charting a new course in high quality education.

**Innovation**
We drive innovation and creative enterprise.

**Equity**
We cultivate an environment where all individuals can achieve their full potential.

**Health & Well-being**
We nurture the health and well-being of our communities.

**Sustainability**
We preserve our collective future.

Message from the Senior Vice-President, Academic and the Vice-President, Students and Institutional Planning

The strength of our teaching faculty, librarians, counsellors and our strong support staff is essential to student success. Together, the Academic division and the Students and Institutional Planning division are committed to supporting the success of a diverse community of Humber learners, as they study virtually or on campus.

Our Academic Plan is focused on teaching and learning within a polytechnic, postsecondary environment, and outlines a series of goals and strategies that will guide our academic initiatives. Humber remains committed to and focused on our mandate to provide teaching and learning excellence in a supportive environment that recognizes that the diversity of our staff and students is our strength. Our Academic Plan includes the essential integration of academic and non-academic programming. We are committed to providing access to high quality academic programming, and to supporting the career objectives, social and emotional well-being of our students.

We will continue our collective efforts to provide an optimal student experience that serves to enrich and inform.

At Humber College, we are proud to support students on their personal, academic and career journeys, and we appreciate all that you do to support student success.

Gina Antonacci
Senior Vice-President, Academic
Humber College Institute of Technology and Advanced Learning

Jason Hunter
Vice-President, Students and Institutional Planning
Humber College Institute of Technology and Advanced Learning
About the Office of the Senior Vice-President, Academic

The Office of the Senior Vice-President, Academic provides academic direction and leadership to Humber’s Academic division, specifically, developing, affirming, articulating and sustaining the Academic Plan and framework at Humber. This includes such elements as the program and credential mix, entrance and access standards, graduation requirements and faculty qualifications. Within the Office of the Senior Vice-President, Academic you will find Humber’s six Academic Faculties: Faculty of Applied Sciences & Technology, Faculty of Business, Faculty of Social & Community Services, Faculty of Media & Creative Arts, Faculty of Liberal Arts & Sciences and Innovative Learning, and Faculty of Health Sciences & Wellness. The Office of the Senior Vice-President, Academic works collaboratively with the six Faculties, as well as with the Centre for Innovative Learning: Innovative Learning and Program, Planning, Development & Renewal; Office of Research & Innovation, Strategic Partnerships and International to:

- Ensure the quality of the college’s academic program by developing, implementing and monitoring sound academic policies and procedures
- Provide leadership to the academic development of the college through the planning, developing and implementation of new academic programs and the ongoing improvement of existing programs by ensuring that the college engages in an effective program review process
- Promote and create appropriate linkages with community, business, government and academic institutions through the development of domestic and international learning partnerships, projects, joint programs, strategic partnerships, articulation agreements and program/service advisory committees
- Take the academic lead to ensure programming and curriculum links to applied research are current and provide relevant learning opportunities for students, faculty and industry partners
- Share in the management of resources and fiscal viability, and participate in a wide range of operational decision-making affecting the current and future effectiveness of the college
- Plan for human, financial and physical resources for the Academic Division
Humber’s Academic Principles

- We will ensure that learning comes first
- We will uphold integrity in all endeavors
- We will foster the maturation of our polytechnic identity
- We will recognize the importance of place and space
- We will provide a teaching and learning environment that respects and is enriched by our diverse local, national and international community
- We will fulfill our role as a leader in the provincial and national postsecondary education sector

### ONLINE CLASSES:

- Do I have my login credentials?
- Have I tested my devices? (i.e. webcam, microphone)
- Can I log into Humber digital platforms?
- Have I verified the presence of my Blackboard courses?
- Have I set the dates for the assignments/tests in my course(s)?
- Have I uploaded my Course Outline(s)?
- Have I uploaded my tentative weekly schedule/critical path?

### ON CAMPUS CLASSES:

- Have I completed the Return to Campus Agreement?
- Do I have my ID/Lenel Card?
- Do I know where my classroom(s) is(are)?
- Do I know the layout of each classroom?
- Do the podium, screens, lights, etc., work?
- Do I need flipcharts, markers, etc.?
- Do I have enough chairs for my students?
- Do I know where the nearest washrooms are?
- Do I know where the nearest emergency exits are?
- Have I checked my mailbox for any room changes and updates?
- Have I planned a break for this class?
- Have I booked media materials?

*To access information on forming lesson plans and first day strategies, visit: [humber.ca/teachingandlearning](http://humber.ca/teachingandlearning)
Blackboard

Blackboard Courses

Blackboard is the Learning Management System at Humber. Faculty are expected to use this software to deliver course content, share course information, and to communicate with students on course-specific matters. Student assignments can be submitted, marked and returned electronically via Blackboard. For more information on Blackboard at Humber, visit [humberonline.ca](http://humberonline.ca)

Blackboard courses are automatically created, and only faculty assigned as the responsible teacher to a section will be provided access to the course.

- **Activate your Blackboard Account**
  You use the same account credentials to access Blackboard as you do when logging in to a computer at the college. This account must be activated and the password changed before you can use Blackboard.

- **Log in to Blackboard**
  Go to the website [learn.humber.ca](http://learn.humber.ca)
  Enter your username and password and click “SIGN IN”. Once you have successfully logged in, you may access the courses you are teaching by clicking on the link which appears in “My Courses.” From that point on, you can build your course by uploading the latest Humber Template: [https://humber.ca/facultyblackboard/](https://humber.ca/facultyblackboard/)

- **Blackboard eForms**
  For Blackboard-related requests (adding an instructor, merging/crosslisting courses) refer to the Information Technology Services website
  [its.humber.ca](http://its.humber.ca) → Support Centre → eForms

  **Note:** You must log in to access the eForms. Logging in also authenticates you for other Humber services.

For help files and Blackboard resources, please view the Blackboard 9.1 help website [humber.ca/facultyblackboard/](http://humber.ca/facultyblackboard/) or click the appropriate help link found directly in your course.

For faculty Blackboard support during the weekdays, contact the Instructional Support Studio (refer to page 72).

For additional weekend support, faculty can call the Open Learning Centre (OLC). The OLC also supports students with with Blackboard related inquiries.

**Instructional Support Studio**

For hours of operation and to connect with a representative, visit [humber.ca/teachingandlearning/blackboard-help/](http://humber.ca/teachingandlearning/blackboard-help/)

**Email:** facultyblackboard@humber.ca

**Open Learning Centre**

- Chat online or speak with an OLC Representative by visiting the OLC website at [humberonline.ca](http://humberonline.ca)

- Chat support and web-resources (eBrochures, video tutorials, etc.) available through the eLearning website [humber.ca/facultyblackboard/](http://humber.ca/facultyblackboard/)
Welcome to MyHumber

MyHumber provides students and faculty the ability to view and manage information about courses, grades, fees and more. It offers applicants the ability to track application status and manage next steps for admission. For employees, MyHumber delivers access to forms and information needed to perform many operational tasks.

humber.ca/myhumber

Class Lists

Your class lists are available online through MyHumber humber.ca/myhumber

Students can register for classes when registration opens until the fifth day of the semester. They can drop courses for refund within the first 10 days of the semester. After the tenth day of classes, you should verify your class list. If you have students attending your class who are not officially registered, please refer them to the Program Coordinator who can submit a SAF to have them registered if warranted.

You may obtain class rosters with pictures through MyHumber.

Course Outlines

Curriculum design is of the utmost importance at Humber and we regularly review our course outlines to ensure that they not only reflect Ministry of Colleges and Universities (MCU) standards but also the evolving needs of our industry partners. Once outlines have been revised by faculty and approved by the relevant Associate Dean or Director, they can be obtained from one of the two options below:

- Humber Transfer Options website humber.ca/transferoptions/course-outlines.html
- Humber HQ: humber.ca/hq

If the outline you are looking for is not available, please contact your academic faculty for core course outlines.

Humber values sustainability. In our effort to help reduce waste we do not normally print course outlines. As a result, you will need to upload your outline and weekly schedule (Critical Path) to your course Blackboard sites prior to the start of the semester.

For additional help in uploading course outlines to Blackboard sites please visit humber.ca/facultyblackboard/
### eBooks
The Library has over 3.8 million eBooks available for students and faculty. You are able to browse our collection at [library.humber.ca](http://library.humber.ca) If you would like to include an eBook in your course site, please email copyright@humber.ca with your request.
If you have questions about our eBook collection, please contact your librarian [library.humber.ca/liaison-librarians](http://library.humber.ca/liaison-librarians).

**Want to create your own eBook or eResource?** Contact the Teaching + Learning team at [ctl@humber.ca](mailto:ctl@humber.ca) or 416.675.5040.

### Email
Your email and voicemail accounts will be set up for you by the Faculty’s Business Manager, prior to the start of the semester. You will be provided with this access information at the start of the semester.

Every employee of Humber receives an email address. Microsoft Outlook is the email platform in use at the College that you can access at any time by visiting: [humber.ca/office365](http://humber.ca/office365).

You will find a guide sheet to using the email options in this manual under Appendix. Please remember that when communicating with your students about academic matters, you are required to use your Humber email account or your Blackboard site. Do not use a personal email address when communicating with students.

[humber.ca/policies](http://humber.ca/policies)

Faculty can communicate with students in Blackboard using the Course Message tool.

---

### Teaching Tip: Students report that they prefer faculty using just Blackboard as the method for classroom electronic communication.

### Faculty Mailboxes
When on campus, faculty will be assigned a mailbox in the mailroom (at the campus where they are teaching). If you are teaching at more than one campus, you will have a mailbox at both campuses. Please check your mailbox regularly because students will drop off assignments with the school receptionists in the assigned drop boxes for distribution to your mailbox.

### How to Access Electronics in the Classroom
When on campus, faculty will be assigned classrooms with fully integrated multi-media platforms designed to enhance the learning experience. All classrooms contain various types of multimedia equipment controlled from a podium at the front of the room.

Podiums consist of a keyboard tray, a mouse, a flatscreen monitor, and a touch screen panel that controls all of the room’s equipment.

If you have questions while in the electronic classroom, you can use your mobile device camera and photo app to scan QR codes (located on or near the lectern) for a more responsive AV technical support experience.

With a simple scan, faculty can report an issue and a technician is immediately dispatched.

Use your mobile device camera to scan the QR Code or visit: [humber.ca/avsupport](http://humber.ca/avsupport).
Humber Classroom Redesign Initiative

Humber is in the process of updating all on-campus classrooms to align with 21st-century teaching and learning practices.

If you are scheduled to teach in one of the new Flexible/Collaborative Classrooms (F202, F212, F220, and the 3rd and 4th floor of the F building, North Campus), we encourage you to visit the space ahead of time to explore and get comfortable. Training and consultation is also available with the Educational Technologist on the Teaching + Learning team. For more information, contact edtech@humber.ca.

ID/Lenel Cards

All faculty need to have a Humber-issued ID/Lenel card. This card will allow you access to a variety of services and facilities at Humber. Requests for classroom keys to specialized classrooms should be made to your Program Coordinator or your Business Manager. If deemed necessary, faculty will then be issued the appropriate classroom keys. In some cases, access to your room is via your ID/Lenel card. Once you have obtained your ID/Lenel card, access will be activated by your Faculty’s Business Manager or designate. The faculty member bears sole responsibility for the return of each key and access card entrusted to him or her. ID/Lenel cards should be obtained from the IT Support Centre at the following campus locations:

Locations:

North Campus    NX210
Lakeshore Campus A212
Carrier Campus  Main Reception

Lost/Stolen Keys and Access Cards

Any person losing a key(s) or ID/Lenel access card must notify the Program Coordinator or Business Manager immediately to ensure against a compromise of the system.

Replacement Costs

A nonrefundable replacement charge of $20 will be made for each key or ID/Lenel access card that is lost/stolen. If a key or access card is damaged please return it to the Faculty’s Business Manager and it can be traded for a replacement at no charge.
As an academic institution, Humber aims to minimize the use of paper. Humber purchases recycled paper that contains minimum 50% post-consumer waste (PCW) and Forest Stewardship Council (FSC) certified. These sustainable approaches can reduce paper use:

- Switch to digital media where possible.
- Use digital textbooks and Blackboard.
- Print double-sided. The default on all college printers is double-sided.

Materials and Supplies

Faculties try to keep a variety of teaching supplies on hand. Supplies are normally kept in supply cupboards within each Faculty at our campuses, and inventory levels are monitored regularly. If you require any teaching supplies that you cannot find in the faculty’s supply cupboard, please see one of the program staff and an order will be placed.

Sustainability is one of Humber’s values, and we encourage posting information to Blackboard; however, a multi-function photocopying machine is available in each of the main office areas. In areas where you require a code, this will be provided to you by program staff. Please remember, as a professional practice, when photocopying published material, to cite the source (refer to page 59, Copyright). It is an important part of respecting intellectual property and modelling proper technique to your students.

Any jobs larger than a class set (60 pages), please use the Xerox Print Centre and allow two business days turnaround time. You will need to complete a print order form available at the Xerox Print Centre and online.

You can also submit an electronic version of any document that you need printed to the Xerox Print Centre.

Xerox Print Centre Locations:

- North Campus H106
  - Monday to Thursday
  - 9:00 a.m. to 6:00 p.m.
  - Friday, 9:00 a.m. to 5:00 p.m.
  - 416.675.6622 Ext. 4228
  - humncprint@xerox.com

- Lakeshore Campus H105A
  - Monday to Friday
  - 8:30 a.m. to 5:00 p.m.
  - 416.675.6622 Ext. 3584
  - humlcprint@xerox.com
Parking Permits

Staff can register their Humber Park Admin account and obtain parking permits by logging in through their MyHumber and clicking on the Services tab.

Permits are required for permit parking lots on campus between the hours of 7:00 a.m. and 10:00 p.m., Monday to Friday. Your staff photo ID card will be programmed for lot access if you have a valid parking permit. If driving only occasionally, automated pay on exit visitor parking is available at North Campus in Lot 6, 8, 10, and the aboveground garage accessible from Driveway A.

Faculty working more than 24 hours weekly are considered to be full-time and must pay the equivalent of $293.25 per semester via bi-weekly parking payroll deduction as approved by the Humber College Board of Governors. Faculty working 24 hours or less per week qualify for the discounted part time parking semester permit rate. Part-time faculty must purchase their permit online through their MyHumber with payment up front by credit card or Interac direct payment at the beginning of each semester. Part-time faculty are not eligible for staff parking payroll deduction.

There are two options for part-time faculty at the North campus for semester permit parking:

**Option 1:** Lot 4, an on-campus perimeter lot accessible from Driveway A, at a rate of $88 per semester.

**Option 2:** Lot 1 and 13, accessible from Driveway A & E, at a part-time upgraded rate of $176 per semester (first come, first serve—limited availability)

At Lakeshore campus the part-time staff semester permit is valid only in West Lot 1, 3199 Lake Shore Blvd. West, with entry off of Twenty Third Street, at a rate of $88 per semester. Permit is also valid at the Annex, 3120 Lake Shore Blvd. West.

A “pay and display” license plate visitor parking system is active at Lakeshore Campus, 3199 Lake Shore Blvd. West with entry off Twenty Third Street.

There is no charge for parking at Humber College campuses on weekends.

Humber College Parking Regulations and municipal by-laws are enforced at all Humber College campuses. It is the sole responsibility of the person parking to ensure that their vehicle is parked in accordance with these rules and regulations, and only in the lot authorized by the permit. It is also required that a valid permit be hung from the rear-view mirror with valid information facing outward, so it is clearly visible to parking enforcement from outside of the vehicle.

For additional information please visit our website at: [humber.ca/parking](http://humber.ca/parking)
**Textbooks**

If you require textbooks or other resource materials for your course, you must let your Program Coordinator know well in advance. In many cases these will be provided for you well in advance of your class by program staff. It can take over two months from the time books are ordered to the time they are available in the campus book store.

At Humber, we also strongly encourage the integration and use of digital resources and eBooks that are offered via Humber’s Library.

> [library.humber.ca](http://library.humber.ca)

**Timetables**

Your timetable, including room locations, is available online through MyHumber.

> [humber.ca/myhumber](http://humber.ca/myhumber)

Please check under the Faculty and Advisor tab and click on ‘Faculty Week at a Glance.’

At the start of the semester, we may have to move your class to another classroom. When this happens, you will be notified via email. Students will also receive an email for a room or time change. You can also verify this information on MyHumber under ‘Faculty Week at a Glance’ or ‘Active Assignments.’

**Voicemail**

Full-time employees get a personal mailbox and a voice-messaging number. This number is a way for students, faculty and staff to contact you. This will be supplied to you by your Faculty’s Business Manager. You will find a guide sheet to using the voicemail options in this manual under Appendix.

Accessible Learning Services

Humber College is committed to providing an inclusive learning environment for students with disabilities. To support this mission, our Accessibility Consultants in Accessible Learning Services partner with students and faculty to ensure that the academic environment is accessible. When barriers to learning are identified, Accessible Learning Services supports students by offering a range of confidential services such as academic accommodations, assistive technology training and learning supports. When a student encounters a barrier to access, Accessible Learning Services facilitates accommodation strategies, including the following:

1. The student contacts the Student Wellness & Accessibility Centre to meet with an Accessibility Consultant to share information about their disability or review disability-related documentation. Based on this information, appropriate accommodations are established in order to minimize the impact of the disability or disabilities within the academic environment.

2. Accessible Learning Services drafts a letter that outlines the relevant information for accommodations to be implemented by faculty as it relates to the delivery and assessment of course content.

3. The student may elect to either share their accommodation letter independently or request that Accessible Learning Services deliver their accommodation letter to faculty. If sent through our office, faculty will receive an email to access the faculty-specific web portal where they can view the details of the letter. Please note: letters that students personally distribute are NOT made available on the portal.

4. Testing Services supports accommodations required during tests. The student must notify their faculty, with sufficient advanced notice, each time they intend to use the Testing Services environment. Faculty will then be required to provide the test indicating the accommodations to be used by the student directly to Testing Services via a referral form.
It is important for faculty to acknowledge and respond to students’ accommodation requests in a clear, respectful and timely manner. This includes responding to all disability-related extension and testing accommodation needs.

Accommodation letters are renewed every semester as a check-in with students to ensure their accommodations remain relevant to disability needs and program outcomes. This process is quickly completed through the Accessible Learning Services website.

Faculty with questions about accommodations are invited to contact Accessible Learning Services. On occasion, faculty may need to explore whether or not an accommodation request interferes with the essential requirements of a course. Faculty members are encouraged to discuss this with Accessible Learning Services.

---

**Attendance**

For on-campus classes, there is a strong relationship between attendance and academic achievement; higher grades are associated with regular class attendance. This is also true of student engagement with online materials. As adult learners, college students are responsible for attendance, punctuality and for facilitating a positive and productive learning environment. Students are expected to complete all assignments and write all tests/exams during the normally scheduled dates and times.

**Note:** Students who miss class due to illness, death in a family or other extenuating circumstances should be provided an opportunity to make up missed tests, lab and in-class assignments. Discuss the situation with your Program Coordinator or Associate Dean if necessary.

For courses involving computer lab work, practical lab classes, significant classroom group activities or student/industry guest presentations, absenteeism is generally not permitted and may result in a failing grade for the course.

Frequent absenteeism may be symptomatic of other issues and/or problems. Changes in student behaviour and levels of engagement need to be investigated. For direction and support, please notify your Program Coordinator with regard to further action.
Class Cancellations/ Faculty Absences

Class Cancellations Due to Illness
For both online and on-campus classes, you must contact your Faculty as soon as possible if you have to miss a class due to illness.

Any on-campus class cancellations will be posted by the Faculty on the classroom doors. Class cancellation notices can also include instructions for your students regarding readings, assignments, etc. In some cases, we may be able to provide coverage for your class; therefore, it is imperative to notify your Faculty/department as soon as possible.

Please post your class cancellation on your Blackboard course site(s) along with instructions for your students regarding readings, assignments, homework, etc.

Class Cancellations Due to Weather
On rare occasions, classes may be cancelled due to hazardous weather or emergency situations. Announcements are made on the front page of the college website (humber.ca), as well as on local media stations and by recorded message to anyone telephoning the college at 416.675.6622.

Additional closure notification can be found through Humber Alert (refer to page 51) and social media accounts:

facebook.com/humbercollege
twitter.com/humbercollege
Instagram /https://www.instagram.com/humbercollege/

Grading Rubrics
Rubrics are predefined grading frameworks that allow an instructor to efficiently and reliably assign grades. Rubrics are shared ahead of time with students, so that they know the criteria by which their work will be graded.

Many program areas will have specific grading rubrics that will be shared with you at the start of your semester. Rubrics can be easily uploaded and added to your Blackboard course sites.

The Teaching + Learning website also contains some terrific resources that can help you create your own rubrics. Please visit: humber.ca/teachingandlearning/teaching-resources/
Guest Speakers and Field Trips

Humber is committed to providing students with an exceptional educational experience that is both engaging and dynamic. There are many ways to create dynamic learning environments for your students where learning goes beyond the classroom walls and allows them to learn by doing.

Guest Speakers
Where and when appropriate, faculty may invite industry or guest speakers to visit their classes as a way of supporting teaching and learning. Before inviting a guest speaker, you should speak to your Associate Dean or Program Coordinator.

Note: Guest speakers can also be easily incorporated into the classroom experience virtually using the Blackboard Collaborate Ultra tool.

Field Trips
Before you may proceed with any arrangements to take your students on a field trip, you must submit a written request to your Associate Dean and Program Coordinator. Requests should be submitted at least 10 days prior to your trip. This is necessary for insurance purposes. Students are protected under Humber’s insurance coverage only when you have written approval, a Humber faculty or staff is in attendance and the trip is related directly to the curriculum. Contact your Program Coordinator for details. Remember that virtual field trips are also possible in the online environment! For additional ideas regarding experiential learning opportunities visit the Teaching + Learning website at: humber.ca/teachingandlearning

Teaching Tip: To encourage deep learning while on a field trip, ask students to either prepare a report/presentation or have them blog or tweet about the field trip.
Humber Student Success (HSS) Survey

The Humber Student Success (HSS) survey is administered each year to all students after the fall midterm exams. The HSS has four purposes:

- To understand students’ goals throughout their program and the extent to which we are meeting their academic and career goals.
- To gain a broad understanding of students’ support needs to allow for service planning and resource allocation.
- To understand our diverse student population in terms of sociodemographic and other factors (e.g., culture and ethnicity, sexual identity, disabilities) so we can assess the extent to which we are meeting their needs.
- To recognize learning behaviors and factors that suggest risk of attrition.

Each year, communications will be sent out to academic personnel reminding them of the survey and asking them to encourage students to complete the survey.

The results of the survey are distributed to all faculties and the broader campus community each year.

If you have questions about the HSS survey, please contact Jelena Dukic, Associate Director, Institutional Research, Institutional Planning and Analysis at Jelena.Dukic@humber.ca or 416.675.6622 Ext. 4914.

Key Performance Indicators (KPIs)

Key Performance Indicators (KPIs) are a method of measuring how well Ontario colleges are meeting the needs of students and the marketplace. KPIs are a requirement of the Ministry of Colleges and Universities and are used as a basis for performance funding.

The four KPIs listed below are used to measure the performance of colleges in achieving ministry-stated outcomes and objectives:

- Graduate Employment
- Graduate Satisfaction
- Employer Satisfaction
- Graduation Rate
**Student Feedback**

**Student Tests/Assignments**
Timely and constructive feedback in response to students’ work is an integral part of the learning process. Students should be able to assess their progress in a course as early as possible. Instructors’ responses should inform, guide and encourage students in their learning.

Evidence indicates that students should have preliminary feedback on their performance within the first two weeks of class. Subsequent feedback at regular intervals and all feedback on tests/assignments/projects should be received by students within a two-week period.

---

**Teaching Tip:** The Grade Centre functions on Blackboard are a useful way to track student grades. You can release grades to students to show them how they’re progressing in your course(s). For more information on posting grades to Blackboard visit the Blackboard Help on the Teaching + Learning website: [humber.ca/teachingandlearning](http://humber.ca/teachingandlearning)

**Collection and Distribution of Student Work**
The Ontario Freedom of Information and Protection of Privacy Act requires that the college protect personal information by making reasonable security arrangements against such risks as unauthorized access, collection, use, disclosure or destruction.

Student tests and assignments fall under the definition of personal information and reasonable security arrangements must be taken when receiving and returning tests and assignments.

---

**Collecting Students’ Assignments**
For on-campus classes, if assignments cannot be handed in during class time, they can be dropped off in each faculty’s ‘Assignment Drop Box’ located outside of the faculty’s main office at both campuses. These will then be date stamped and placed in your mailbox. Assignments can also be uploaded to through the Assignment tool in Blackboard. You can use this technology. You can use this technology for uploading and tracking student submissions.

**Returning Students’ Tests/Assignments**
For on-campus classes, it is the instructor’s responsibility to return graded tests and assignments directly to the student. Tests and assignments should **NOT** be placed in faculty mailboxes or in any other public area for pickup. Students are not permitted to handle exams or assignments other than their own.

Students should also have access to their marks via Gradebook on your Blackboard course site in order for them to gauge their progress in your course.

---

**Teaching Tip:** When providing written feedback, do not use red pen or place students’ grade/comments on the cover page. Using red pen, in certain cultures, is perceived as stressful and may impede learning. *(note 1)*

**Tip:** Use green, purple or any other colour. It is also an accessibility issue for students with colour blindness.

**Tip:** Use a different colour or a thicker tip to show contrast.

---

*(note 1) Dukes & Albanesi, 2012*
Student Feedback Questionnaires (SFQs)

At Humber, we value feedback and seek opportunities to engage in discussion and dialogue about our performance with all of our stakeholders.

Each semester, all of our classes are involved in the digital Student Feedback Questionnaire (SFQ) process during which students are asked to provide feedback on their courses and on their learning experience. We encourage you to familiarize yourself with the SFQ questions that can be found at www.humber.ca/sfq, so you can understand students will be asked to rate their learning experience at Humber. Digital SFQs are scheduled to take place after midterms, but before the last week of the semester. For specific dates related to when your digital SFQ will be available and when it will close, please refer to http://humber.ca/sfq/process/critical-dates/humber/

It is also important for you to receive feedback from the majority of your students, so you are encouraged to announce the SFQ dates well in advance, embed the digital SFQ link in your Blackboard site, and use class time to discuss and officially launch the SFQ.

Remind students of the importance of the SFQ both for Humber and for yourself as a teacher-practitioner.

The digital SFQ provides space to ask your students up to three specific, personalized questions. You can find a list of suggested questions on the SFQ website, but you are free to create your own. When adding questions to the SFQ please note: the most desirable answer is in the ‘Strongly Agree’ column.

You may want to solicit feedback from your students sooner in the semester and at more regular intervals. This can be easily accomplished in many different ways. Visit the Teaching + Learning website to access a variety of helpful tools and resources that you can use throughout the semester.

For any additional questions regarding the administration of the SFQs, please contact the Director of Digital Learning or your Associate Dean. humber.ca/teachingandlearning

Teaching Tip: Use a variety of Classroom Assessment Techniques (CATs) to assess student learning and to better understand your effectiveness as a teacher. For more information go to: humber.ca/teachingandlearning youtube.com/HumberCTL
Student Tests and Assignments

Your students are expected to complete all tests, assignments and exams within the time frames and by the dates indicated on the course’s critical path found in Blackboard 9.1. Any changes to the evaluation scheme contained in the course outline must be approved by the Associate Dean discussed with the class and confirmed in writing.

Submitting Midterm Grades

All students registered in certificate, diploma, advanced diploma, degree and graduate-level courses will receive a midterm grade, which in conjunction with discussions with their instructor, is to provide feedback on academic performance and give students a realistic idea of their performance to date.

The Office of the Registrar will establish and post to the Academic Calendar (see Appendix) midterm and final grade due dates and grade release dates, which will indicate when grades will be available for students to review.

Faculty are required to submit midterm and final grades each term according to the deadlines posted in the Academic Calendar. [humber.ca/academic-calendar]

Faculty are required to submit midterm and final grades for all students on their class lists, including students who have not attended the class or have failed to officially withdraw from the course.

Please note midterm grades are not considered part of the official grade point average and will not appear on the students’ official transcript.

Grades are to be entered via the Faculty tab on MyHumber. See Faculty & Staff Learning Resources for how to enter grades.
At the End of the Term

34 Academic Complaints/Appeals
34 Academic Regulations
35 Changing a Student’s Grade
36 Progression/Promotion Meetings
36 Retaining Student Work and Grades
36 Samples of Student Work for Degree Study
37 Submitting Final Grades
37 Tests, Assignments and Exams
Academic Complaints/Appeals

Student Appeal Procedure
Students should be aware they have the right to appeal a course, grade or a program standing.

When a student disagrees with a grade received or any decision resulting from the Academic Regulations, the following informal procedure should be followed before making a formal appeal:

- The student should first discuss the matter with you, the instructor, in an attempt to resolve the disagreement.
- If the matter remains unresolved with the instructor, the student should discuss the matter with the Program Coordinator.
- If the student is not satisfied at this point, the student can meet with the Associate Dean to try to resolve the situation at the faculty level.
- If the student is still not satisfied at this point, the student can meet with the Senior Dean to try to resolve the situation at the Faculty level.

If the student is still not satisfied, a formal appeal in writing can be submitted to the Office of the Registrar. All appeals must be filed within ten (10) business days following the written decision of the Senior Dean or designate regarding a Faculty-Level Academic Appeal. Full details can be viewed online at humber.ca/academic-regulations

The outcome of a formal appeal is officially communicated to the student and all parties involved.

Academic Regulations

Humber’s Academic Regulations contain important information and processes. You are encouraged to familiarize yourself with Humber’s Academic Regulations. Please note that Academic Regulations can vary depending on which program you are teaching at Humber. To view the Academic Regulations visit humber.ca/academic-regulations and select the appropriate title below:

- 2021–2022 Admission Requirements & Academic Regulations for Degree, Diploma and Certificate Studies

Please note, Academic Regulations apply to all credit courses and programs at Humber. Faculties may have specific supplementary procedures that derive from the Academic Regulations and are communicated to students when they first begin their studies. These supplementary procedures are often included in faculty-specific or program-specific handbooks available from the Program Coordinator and/or Associate Deans.
Policies and Procedures - Academic
Along with our Academic Regulations, there are additional policies and procedures that govern Humber's day-to-day operations. For example, there are several policies in place at Humber that focus on teaching and learning:

- Academic Freedom Policy
- Academic Honesty of Faculty and Staff Policy
- Copyright Policy
- Fair Dealing Policy
- Student Feedback Questionnaire Policy

All of our policies are available on Humber’s website at: humber.ca/policies

Auditing a Course
Where applicable, a student may apply to audit a course. A student must obtain written permission to audit a course from the appropriate Associate Dean and present the authorization to the Office of the Registrar at the time of registration. Students who are auditing courses will not be evaluated nor will credits be earned. The regular fee applies.

Last Day to Drop a Course Without Academic Penalty
Students can drop courses on MyHumber. Additional information can be found at humber.ca/withdrawal-information.

The last day to withdraw from a course without academic penalty at the three-quarters point of the duration of the course. Students are encouraged to check the Academic Calendar for the exact date (see Appendix).

Continuous Professional Learning (CPL) students wishing to withdraw from a CPL course will be advised of the dates for withdrawal at the time of registration. Drop dates may vary depending on the course and we recommend contacting the faculty/department that delivers the course for accurate information.

Past these deadlines, the course will remain on the student’s record with the grade earned showing as a final grade.

Grades will be reported in percentages, unless otherwise specified in course outlines. A pass in each course is 50% unless otherwise indicated.

For further information, visit humber.ca/academic-regulations

Changing a Student’s Grade
Under extenuating circumstances, faculty will have six weeks, following the end of the semester, to reassess a student’s final grade and submit any changes to the Office of the Registrar for input. Changes beyond six weeks will be permitted only if authorized by the Senior Dean and/or designate.
Progression/Promotion Meetings

At the end of term, many of Humber’s programs have progression or promotion meetings to review our students’ academic progress. Your participation in these meetings is crucial as decisions regarding academic standing can only be made when the appropriate faculty come together to review a student’s academic record.

Information regarding the date and time of progression/promotion meetings will be provided to you by the Program Coordinator.

Retaining Student Work and Grades

Each academic faculty is required to retain unreturned graded tests, assignments and final exams for 12 months after the end of term, or 12 months after the date of the last use.

Please provide a copy of these items along with a copy of your final grades to your Program Coordinator or designate as indicated by your Faculty’s Business Manager or Associate Dean.

Samples of Student Work for Degree Study

We are also required to retain samples of degree student work in the terminal stage of the program and for the breadth of courses. During the registration process, degree students indicate their agreement to the collection of sample work. Files may be stored electronically. Video or photo images of completed work for design/studio projects are appropriate. Samples must be sorted and reflect student work that is exemplary, average and minimally acceptable. There should be sufficient numbers of assignments for external reviews to randomly select samples from each category. No personal information (e.g. student name, ID number, etc.) should appear on the samples.
Submitting Final Grades

You are required to submit both midterm and final grades for all of your students, in each of your classes. At Humber, we submit grades electronically using MyHumber. Information will be distributed to faculty several weeks in advance of each deadline illustrating the MyHumber grade submission process. Faculty are encouraged to submit grades as early as possible. At the end of each semester, you will also be required to submit a copy of your final grades and a grade breakdown to your Faculty. These copies are used to help respond to student and program inquiries as well as requests from the Office of the Registrar when grades are missing or incomplete.

If you have been in touch with a student about an extension on a piece of work past the end of the semester, use an INC grade in MyHumber. Once you select INC, you will be asked for the numerical grade that the student will receive if the final piece of work is not completed. If you have not changed the INC grade within 6 weeks, the grade will default to that numerical value.

Please refer to the Academic Calendar dates in the Appendix.

Tests, Assignments and Exams

Final Exams and Tests

At Humber we strive for academic excellence and introduce processes that emphasize academic integrity in all that we do. Tests and exams are opportunities to allow students to demonstrate academic excellence and integrity.

Test and Exam Protocol and Conduct (note 1)

Consider using some or all of the following suggestions when conducting an in-class examination:

- Students may not enter the test/exam room until the faculty member is present and has directed the students to enter.
- Seats may be pre-assigned by the faculty member.
- Students may be asked to provide a valid student ID card, with photo, to be eligible to write the examination. No other identification will be accepted.
  
  Note: CE students do not have Student ID cards; however, a valid government issued photo ID can be used.
- Students are to bring only what is necessary to the test/examination room. All personal effects are to be stored in students’ lockers, or in an unsupervised, designated area in the exam room, as determined by the faculty member.
- All cell phones and other electronic devices must be turned off and placed with other personal belongings/bags in the designated area, or in a plastic ziplock

---

note 1 Modified from the Policy Handbook, Faculty of Social & Community Services
bag and placed under their seats. No outerwear such as hats, gloves, overcoats, jackets, vests, etc. are permitted to be worn. Religious head coverings are exempted.

- Students must be punctual for all tests and examinations. Students must stay in the examination room for the first 30 minutes. After 30 minutes, students may exit quietly after submitting their exam/test and all paper used during the exam to the faculty member.

- Students will not be re-admitted if they leave the examination room. Students are directed to use the washroom prior to the exam.

- No student is permitted to leave the examination room in the last 15 minutes of the exam.

- Students are to follow the instructions of the faculty member for collection of exams and dismissal procedure at the end of the exam/test.

- Faculty members have the authority to direct students to move to another seat during the test/exam.

**Teaching Tip:** Review current research on Academic Integrity Policy and see Humber’s Academic Integrity Policy on the Teaching + Learning website. [humber.ca/teachingandlearning](http://humber.ca/teachingandlearning)

**Missed Exams**

All tests and assigned course work, as described in the course outline, will have the due date announced in-class prior to the actual date. Advising students to synchronize their Outlook and/or Google calendars via Blackboard would be ideal in helping them track important dates. However, it is the student’s responsibility to be aware of the test dates and assigned course work. Students who are late for tests will not be given extra time, unless there are extenuating circumstances. If a student misses an evaluation, they must contact the course instructor within 24 hours of the evaluation to discuss an extension or seek permission to write a make-up test/assignment. Permission to make-up the missed evaluation is granted by the faculty member and you are encouraged to discuss such requests with the Program Coordinator to ensure consistency in decision-making. Please note that information regarding make-up tests and/or evaluations must be included in course outlines. Please review the outline carefully to ensure that you are following established program policies.

Advising & Student Academic Support

Academic & Career Success Centre

Advising & Career Services is a partner in students’ success, empowering them to become engaged, adaptable and informed decision makers. Our Career and Student Success Advisors (CSSAs) offer advising, services and programs to support students on their educational journey and to prepare them for future careers. Students today have complex needs and sometimes require outside-the-classroom assistance with their academic success or could benefit from some assistance in making choices relating to their future career and educational pursuits.

Our CSSAs are also assigned to each academic faculty and are there to provide one-on-one support to students. Faculty members are welcome to refer students to the CSSAs and consult with them when they identify students needing additional support.

We offer the following services:
- New Student Advising
- Career Exploration
- Educational Pathway Planning
- Employment Preparation
- Career Connect (Humber’s job posting website)
- Internationally Trained Immigrant Advising

Our Career Support Peers Leaders offer the following services for students:
- Resume & Cover Letter Reviews
- LinkedIn Advice
- Interview Preparation/Mock Interviews
- Career Steps Workshop Series

If you are looking for career resources and handouts to bolster your in class curriculum check out the faculty resources available on our website: careers.humber.ca/faculty-services.php

For more information, connect with your academic faculty’s CSSA and visit our website: careers.humber.ca
Athletics

Many of the activities and facilities of the Athletic Department are available to you free of charge. A variety of fitness and recreational equipment is available from the customer service hub in each area. Requests for specialty items, or a large quantity of items, should be made with a staff member in Athletics well in advance of the need.

Hours of Operation:

**Fitness Centre (North & Lakeshore):**
- **Monday to Friday:** 6:30 a.m. to 11:00 p.m.
- **Saturday & Sunday:** 8:00 a.m. to 5:00 p.m.

**Main Gyms (North & Lakeshore):**
Check website or call for up-to-date schedules & information
(North Ext. 5699, Lakeshore Ext. 3525)

**Fitness Centre (Orangeville):**
For up-to-date schedules and information, contact Morag Tierney Ext. 5902

**Carrier Campus:** Main Reception

**Activities & Facilities**
- Weight Room
- Cardio Room
- Group Fitness Classes
- Open Gym (basketball, volleyball & badminton)
- Day Use Lockers & Showers
- Special Events

**Entry & Usage Requirements**

- Proper Gym Attire & Footwear

**Equipment Usage (No Charge)**
- **Fitness**—functional training items, bands, mats, skipping ropes, etc.
- **Gym Equipment**—volleyballs, basketballs, badminton racquets & shuttles, etc.
- **Recreation Equipment**—frisbees, flag football, soccer, floor hockey, lacrosse, etc.

**Lockers & Towels (No Charge)**
- Day use lockers available inside change rooms.
- Locks must be removed at the end of each day.
- Locks available for purchase during office hours.
- Towel service available from customer service desk.

**Services (Fee For)**
- Personal Training
- Nutritional Consulting
- Paramedical Services through the Humber Athletic Therapy Clinic*
- Massage Therapy
- Pedorthic Services

*Please check websites for additional information.
Humber Research & Innovation supports faculty researchers by:

- Fostering relationships and facilitating research projects with industry and community partners.
- Offering and identifying potential funding opportunities.
- Assisting in the development of research projects, proposals and grant applications.
- Delivering workshops and other professional development activities for faculty interested in developing research partnerships.
- Providing project management and administrative support for research projects.

To learn more about Humber Research & Innovation

humber.ca/research

Applied Research

Applied research is the systematic and original investigation of a problem, need or new entrepreneurial opportunity with practical implications identified either by a third party (industry or community) or through analysis, to achieve measurable and practical outcomes.

Humber has a strong culture of innovation and applied research excellence and encourages and supports the growth of applied research collaborations and partnerships. Applied research at Humber is student-centric: student training and skills acquisition drive applied research projects, to strengthen the curriculum by identifying and showcasing skill development. Research at Humber also provides faculty with opportunities to remain current on rapidly changing market needs and requirements.
Scholarship of Teaching and Learning
Scholarship of Teaching and Learning (SoTL) is the systematic investigation of teaching and learning through a scholarly lens. Shared with the broader teaching and learning community, its goal is to advance the practice of teaching. It also supports Humber’s commitment to evidence-informed practices and decision-making.

Teaching Innovation Fund (TIF)
The SoTL team provides a comprehensive support package to help Humber faculty (full-time, part-time, and partial-load) develop and conduct a research project focused on a teaching and learning question. The fund includes up to $1,500.00 per faculty member (which may be pooled together for larger, collaborative projects), a research workbook, and assistance from the research support team. All faculty that complete the two 2-hour proposal development workshops and submit an acceptable proposal are awarded the fund.

Additional Research Support
The Scholarship of Teaching & Learning (SoTL) team can provide a sounding board to faculty to help frame ideas and questions about teaching and learning projects. This helps:

- enhance the quality of our students’ learning experiences;
- evaluate teaching strategies that are already in use in the classroom;
- assess and measure the impact of learning approaches, qualitatively and quantitatively;
- pilot innovative and flexible learning approaches for engaging students and faculty; and
- help with other teaching and learning scholarly activities (conference presentations, manuscript writing and graduate studies).

Scholars’ Café
Interested in staying current with the scholarly teaching and learning literature? The scholars’ café meets on a monthly basis to discuss a paper from the literature—it’s like a book club, but for journal articles. Conversation is lively and informal, and it always proves to be an intellectually stimulating opportunity.

For more information, contact Research@humber.ca
Humber Press

Humber Press is a scholarly press that originated in the 1970s and was relaunched in 2013. The purpose of the press is to mobilize Humber's applied and SoTL research. It offers encouragement and support and provides an outlet for participation in the wider academic and professional community through publishing.

[JIPESite](humberpress.com)

Journal of Innovation in Polytechnic Education (JIPE)

JIPE is an online, open-access journal published by Humber Press. It is devoted to publishing peer-reviewed papers that investigate and expand teaching and learning within the polytechnic educational context. JIPE encourages contributions exploring the impact of innovative teaching and learning practices that push the boundaries of traditional approaches to learning or educational delivery. The journal publishes original empirical papers, brief reports, innovation spotlights, review papers, and occasionally, book reviews. Submissions can be made online at: [JIPE](jipe.ca)

Ginger.Grant@humber.ca
Innovative Learning

Innovative Learning is dedicated to the development and enhancement of teaching innovation and learning across the institution. The department provides a place for conversation and inspiration to energize and mobilize innovative and evidence-informed teaching practices; it serves as a hub to the Humber community, supporting Humber’s vision as a leader in polytechnic education.

The following areas are integral to the function of the department: Teaching Excellence, Digital Learning and Flexible Learning.

Teaching Excellence

Our Teaching Excellence team provides a variety of Educator Certificates with modules being offered throughout the academic year.

Culturally Inclusive Educator Certificate

The Culturally Inclusive Educator Certificate (CIEC) program is an externally accredited certificate program designed for people teaching, training, facilitating or advising in the public and private sector. The courses help to strengthen and enhance participants’ intercultural knowledge, communication, curriculum development and differentiated teaching skills when teaching and supporting international students in higher education. At the end of the program, participants will have developed a framework of actions they can integrate into their own practice.

Upon successful completion of the five courses, participants receive a Certificate of Completion.

Register online humber.ca/teachingandlearning/certificates/

Inclusive Curricular Design Certificate

The Inclusive Curricular Design Certificate (ICDC) explores how the Universal Design for Learning (UDL) framework can guide the creation of robust and accessible learning experiences for all students. The principles of UDL are founded in equity, collaboration, flexibility and accountability, and encourage a proactive, skill-building approach to course design that fosters the development of expert learners. Participants will apply these principles to...
ensure that the range of student diversities, abilities, and needs are met through a number of teaching and learning strategies. Upon successful completion of the five courses, participants receive a Certificate of Participation.

For registration information contact Falisha Rowe Falisha.Rowe@humber.ca

Teaching Excellence Program (note 1)
The Teaching Excellence Program (TEP) is an externally accredited, two-year intensive program designed to support faculty as they transition into their full-time teaching roles. The program includes community conversation, mentorship, and a variety of authentic and experiential learning opportunities and events that explore the theory and the application of teaching and learning, as well as educational and research opportunities to support leadership development.

Teaching Effectiveness Certificate (note 1)
The Teaching Effectiveness Certificate (TEC) program is an externally accredited certificate, designed for those interested in the field of teaching or private sector training. The courses within this certificate program provide participants with an opportunity to develop essential teaching competencies by exploring and applying effective practices in teaching and learning. Upon successful completion of the five courses, participants receive a Certificate of Completion.

Register online humber.ca/teachingandlearning/certificates/

Teaching in a Digital World Certificate
The Teaching in a Digital World Certificate (TDWC) program is designed to meet the needs of a diverse group of learners with varying degrees of teaching experience in the online and/or hybrid environment. While teaching in an online environment shares many characteristics with face-to-face teaching, it is a fundamentally different educational experience for instructors and students. The certificate is comprised of three sequential individual courses that are designed to develop essential teaching competencies. Participants engage as a learner, facilitator, and beginner developer. Upon successful completion of all the courses, participants receive a Certificate of Completion.

For registration information contact Falisha Rowe Falisha.Rowe@humber.ca

Digital Documents Accessibility Training (DDAT)
The Digital Documents Accessibility Training (DDAT) certificate program, provides participants with the ability to recognize the different legislation and guidelines related to accessibility and apply those guidelines to digital content and documents. You will learn the fundamentals of creating accessible digital content and documents and modify inaccessible content to comply with accessibility standards. As well, you will be introduced to the use of accessibility checkers in PowerPoint, Word and Acrobat Pro and the different features in

note 1  The TEP, TEC, and CIEC have been accredited by Educational Developers Caucus (EDC) and Staff and Educational Development Association (SEDA).
Educational Technologist

One-on-one consultation regarding the use of educational and emerging technology to enhance teaching practices is available through the Teaching Excellence team.

For more information, contact our Educational Technology Specialist at edtech@humber.ca.

Conferences

Conferences are a wonderful opportunity to explore best practices, to learn new teaching and learning methodologies, and to network and share ideas. Humber currently hosts two annual conferences, as described below.

**Part-Time Teachers’ Conference** provides an opportunity for part-time faculty within the GTA to listen and learn from both industry experts and to receive guidance and mentorship from full-time faculty in regard to their teaching practice. **March 26, 2022** (subject to change).

**Showcase** is Humber’s year-end faculty and staff celebration. Most notable is the opportunity for faculty to showcase their teaching and learning innovations, as well as the opportunity to be inspired by their peers. **Thursday, June 2, 2022** (subject to change).

Innovation and Conversation

The team offers over 600 educational learning opportunities throughout the academic year. These programs are presented in a variety of forums, days and times to support both full-time and part-time teaching schedules. These include expert panels, webinars, demonstrations, communities of practice, keynote speakers, workshops and learning events designed to foster community, innovation and evidence-informed practices. For a full list of opportunities, please browse our calendar online at humber.ca/teachingandlearning/

**Contribute Your Expertise!**

What’s your teaching super-power? Do you have an innovative practice you’d like to share? Submit your ideas for Humber workshops at CTLWorkshops@humber.ca

Individual Consultation on Teaching and Learning

Consulting services are also available on a one-on-one basis. Support is provided on issues related to teaching and learning, instructional design and the use of educational technology.

these software applications to make documents accessible.

Upon successful completion of the three courses, participants receive a Certificate of Participation.

For registration information, contact Falisha Rowe: Falisha.Rowe@humber.ca

For more information, contact our Educational Technology Specialist at edtech@humber.ca.
ED-Venture Days is a 2-day online conference that takes place during the week of orientation, as faculty prepare for the new academic school year. This conference aims to connect Humber colleagues with one another and to encourage interdisciplinary conversations focused on teaching and learning. **August 26 & 27, 2021.**

**League for Innovation in the Community College**

Humber College is a proud member of a group of vanguard colleges with membership in the League for Innovation. Every year the League honours outstanding innovations that have been recognized by member institutions as an Innovation of the Year. These innovations represent faculty and staff achievements that advance learning throughout the institution. It is also an opportunity for peers to recognize college employees who have designed and implemented significant innovations that positively impact the education of students at Humber. Employees from all employee groups (full-time and part-time faculty, administrators and support personnel) are eligible for nomination. To see the 2020 League for Innovation Awards winners, go to the League for Innovation website

[www.league.org/web-page/2020-2021-innovation-year-award-winners-0](http://www.league.org/web-page/2020-2021-innovation-year-award-winners-0)

**Tools, Resources and Templates**

The Innovative Learning team has built an extensive repository of teaching tools, resources and templates to help you reach your teaching and learning goals. You can access resources through

[www.humber.ca/teachingandlearning/teaching-resources/](http://www.humber.ca/teachingandlearning/teaching-resources/)

**Flexible Learning**

Flexible Learning is Humber’s current and evolving response to rapid change in the world of work and learning. It includes means of both flexible delivery and flexible learning practices.

The needs of the student are at the centre of both.

Flexible Learning involves everyone at Humber. While flexible learning should happen in the classroom, it should also happen in the departments and service areas that support students. It depends on the collaboration and communication among academic and non-academic divisions.

There are two dimensions of Humber’s Flexible Learning Strategy: flexible learning practice, and flexible delivery.

Flexible learning practice refers to such things as the flexibility in place, place and mode of learning, and the recognition of prior learning as a way of enhancing flexibility for students.

Flexible delivery refers to the student supports and systems that function together to facilitate more flexible learning opportunities.

The Flexible Learning office can help you explore ways of increasing flexibility to address the changing needs of your students through consultation, conversation and workshops on topics such as future-focused education, learner choice, assessment practices and social learning, that will be offered throughout the year. You can share your ideas and access resources by email at sarah.peake@humber.ca
Digital Learning

The Digital Learning Division oversees four critical areas:

- Instructional Support Studio (The Studio)
- Open Learning Centre (OLC)
- Online Course Development, Maintenance and Management
- The Creative Studio

Supporting all forms of content delivery (web-facilitated, hybrid delivery and online delivery), the Digital Learning Division and its staff focus on andragogy and technical support, helping faculty and staff engage in eLearning practices. eLearning extends beyond the classroom, pursue “personal learning agendas, leisure learning and online learning as an adjunct to daily life” (note 1).

For information related to Digital Learning and Digital Learning workshops please visit humber.ca/teachingandlearning

Faculty Blackboard Support—Instructional Support Studio

Faculty can learn how Blackboard can be a powerful and effective tool—one that complements and enhances the teaching and learning environment. Faculty are encouraged to consult with our Faculty Support Digital Specialist, Donna Sparkes Donna.Sparkes@humber.ca, to learn more about Blackboard’s capabilities.

@Humber_TLS

The Creative Studio
Crafted for innovation and creativity, the Creative Studio is centred at the intersection of education and imagination. Our commitment is towards advancing the state of postsecondary scholarship, and merging it with the best in creative technology.

We offer support to faculty using teaching technologies to support the creation of digital content. Using tools such as Lightboard, Camtasia, Lumen5, Vyond, and more, the studios have all of the ingredients needed to produce outstanding videos to share online or display in class. Our focus is on supporting faculty in the development of modernized digital fluency skills which support an engaging, inclusive learning environment. Looking to create your first video? We’re here to help.

Program Planning, Development & Renewal

Program Planning, Development & Renewal (PPDR) is a centralized department with departmental responsibilities and functions. Working in partnership with the college’s academic Faculties and with other departments to support student success, the department leads the administration of Humber’s Quality Assurance & Continuous Improvement Framework. The Framework comprises processes to help maintain and enhance our ability to provide optimal learning opportunities for students. Key elements of the Framework include processes for developing, delivering, renewing and assessing programs of instruction (online and face to face), work integrated learning, and for establishing and maintaining academic pathways, a hallmark of Humber’s polytechnic education.

PPDR operates with a liaison model – there is a dedicated Program Consultant for your Faculty. We are always looking for new ideas and opportunities to increase student and faculty engagement in quality assurance & continuous improvement. If you have questions or suggestions about your program maps or learning outcomes, program review or action plans, or our processes and mechanisms to support academic quality, please reach out to: ppdr@humber.ca.

We look forward to working with you!
Community Outreach & Workforce Development

Community Outreach & Workforce Development (COWD) has a mandate to support access to post-secondary education, training and the workforce for those from under-represented groups, to support the College’s Equity, Diversity and Inclusion goals. These include, but are not limited to, newcomers, women, racialized persons, Indigenous Peoples and youth.

COWD seeks to do this through collaborative partnerships with faculty & departments, industry, government and community stakeholders on a variety of projects, initiatives, programs and services using an assets-based community development (ABCD) approach. Program participants are valued for the assets they are able to contribute as they seek to further build their skills and knowledge. Taking an ABCD approach ensures that all stakeholders are able to contribute and benefit from the collaboration, with the ultimate goal of enhancing local social and economic development.

Programs and Services:
- Community Employment Services
- Newcomer Programs
- Pre-Apprenticeship and Training Opportunities
- Community Youth Initiatives
- Partnership Development (community & industry)
- Community Connections

Community Employment Services

Humber Community Employment Services provides a full range of employment and training services and resources for job seekers to support them in reaching their employment goals. These services are delivered in the community at five different locations in the Toronto West and Brampton area. In each location job seekers have access to free information and resources, employment related workshops, individual employment assistance and access to training and jobs. In addition, staff work directly with employers to support them in their hiring and training needs. These services are funded by Ministry of Colleges and Universities (MCU) and in part by the Government of Canada, and Immigration, Refugees and Citizenship Canada (IRCC).

humber.ca/community/about-us.html
Humber Community Employment Services Can Help You With:

- Access to job postings
- One-to-one career planning, including online assessments that explore options to support employment goals
- Job search workshops, including webinars and e-modules
- Educational advising
- Employment and training supports
- Second Career Applications
- Mentoring for newcomers to Canada
- Information and referrals to other services within your community
- Canada Ontario Job Grant
- On-line job postings and resources
- Job fairs and more

ces.humber.ca/

These services are available at five locations across the Greater Toronto Area. Find us by visiting humber.ca/community/ces/contact-us.html

Programs for Newcomers to Canada

Humber College is dedicated to helping internationally trained professionals to meet their educational and career goals. Many internationally trained professionals have benefited from the educational opportunities and services that Humber College provides, namely:

- Free occupation-specific language training
- Bridging programs that offer short-term technical training and job-search support
- Newcomer advising services

Free Occupation-Specific Language Training

Language training courses are offered in Entrepreneurship, Sales and Marketing; Project Management; and Technology. These courses focus on workplace culture, language skills and help newcomers communicate effectively on the job.

newtocanada.humber.ca/language-training/occupation-specific.html

Bridging Programs

These are short-term technical programs designed specifically for newcomers to Canada who are internationally trained professionals. The programs are intensive, with the objective to ensure that newcomers gain the skills and knowledge that are in demand by employers in Canada. Most importantly, students enrolled in these programs will have access to individualized career planning support, as well as assistance from Job Developers, who contact hiring employers and develop job leads for the students.
Classes take place on evenings and weekends. Humber offers the following Bridging Programs for Newcomers To Canada:
- Engineering Skills Enhancement
- IT Infrastructure
- .NET Developer
- Supply Chain Management

Newcomer Advising Service
Humber’s advisors can guide you in the following areas:
- Program and course selection that will ultimately support a newcomer’s educational goals
- Admission and enrolment process
- Academic and skills upgrading options
- Bridging programs for internationally trained professionals
- Language Assessment and training programs for newcomers
- Referrals to community resources
- Assessment and evaluation of prior education and experience

Additional Humber Services For Newcomers (Advising and Student Academic Support)

Pre-apprenticeship Training Programs are designed to help individuals interested in the trades to build required skills needed to pursue apprenticeship opportunities. There are no fees to participate in these programs. Textbooks, safety equipment and tools are also provided free of charge.

humber.ca/community/programs.html

Community Youth Initiatives
These initiatives provide stimulating academic experiences that venture beyond the scope of the traditional classroom and are designed to get students thinking about their future careers.

College Experience Days & Career Exploration Days
These are short and specialized hands-on learning opportunities to introduce youth (Grades 6 to 12) to a variety of postsecondary options and careers that they may not have considered. Events can be from one day to two weeks in length, and are done in conjunction with school boards across the GTA (College Experience Days) and local community agencies (Career Exploration Days). Youth are introduced to topics in class that incorporate various curricular areas such as:
- Business
- Applied Technology
- Health Sciences
- Hospitality, Recreation and Tourism
- Media Studies
- Social & Community Services
- Trades & Technology
Youth Transition Program
Humber’s Youth Transition Program (YTP) is a postsecondary access program to assist local youth (ages 19-29) to transition successfully to college whether they have completed high school or not. Participants are provided with a postsecondary experience that includes advising, mentoring, career exploration and core academic skill-building. Youth create a personalized pathway plan that provides a step by step plan for achieving their academic and personal goals. In addition, participants also receive ongoing Humber support in the form of an advisor for up to one year after completing the program. This program is a great transition into Academic Upgrading or applying directly to postsecondary programs. Lunch and transportation is also provided.

humber.ca/community/youth

Pathways to the Trades
Pathways to the Trades is a FREE 8-week program targeting participants who are currently unemployed, interested in exploring the trades, and are experiencing financial hardship. This specialized program has been designed to help youth 18 to 30 years of age make a successful transition into the trades, whether they have completed high school or not. This will be achieved through a strong focus on developing individualized learning plans, advising, career exploration, and skill building.

humber.ca/community/pathways-to-post-secondary/pathways-to-trades.html

Community & Partnership Development
In order to support long term economic and social development of Humber’s local communities, COWD is extensively involved in developing and stewarding relationships with community and industry partners. This partnership development is key to the ongoing projects and programs that support access to education, training and the workforce for those who are outside of traditional pathways and opportunities. COWD sits on 40+ community, industry, government and local tables in order to contribute to community development initiatives that actively support workforce development for equity seeking groups. One of these networks is the Council of Educators Toronto, which brings together colleges, universities and school boards to collaborate on access initiatives.

councilofeducators.ca

Community Connections
COWD actively brings together community, industry and internal Humber collaborators to develop and implement initiatives and projects through the Humber College Community Partnership Fund, or external funding opportunities. COWD offers an expertise in project management, proposal writing and seeks opportunities that will engage current Humber faculty and students for shared capacity building. Anyone with a project, program or experiential learning idea is welcome to reach out to have a conversation about how COWD can support.

Department of Public Safety

The Department of Public Safety is committed to ensuring the safety and security of Humber College’s students, staff and faculty. A comprehensive list of services coupled with close community relations with Toronto Police Service, Toronto Fire Service and Crime Stoppers allow Public Safety to maintain a safe and secure learning and work environment.

Your familiarity with the following emergency procedures and Public Safety services will help ensure that you, your students and your colleagues are prepared to respond in the event of an emergency.

Alert Button

Using the Alert button is easy. Simply press the button labeled “Alert” and the phone will do the rest (fifth key from the top). You do not need to activate the speakerphone, lift the handset, or dial any numbers. Simply pressing the button is enough.

The button functions like a silent alarm. Pressing the button discretely notifies Public Safety that an urgent security response is needed.

Examples of circumstances when pressing the Alert button may be appropriate include the following:

- You are busy providing urgent assistance (i.e. First Aid, CPR etc.).
- You feel calling security will only escalate a situation.
- You are alone and experience a medical emergency.

Note: the Alert Button does not replace the Ext. 4000 Emergency Line.

Please continue to call Ext. 4000 if you experience an emergency, witness a crime in process or require urgent assistance.
Campus Security

The security team is available 24 hours a day, seven days a week, and employs a wide array of trained professionals to assist Humber students, staff, faculty and visitors.

Security Reception is located at the entry to NX101 at the North Campus and in M106 at the Lakeshore Campus.

The following security programs and services have been implemented to keep Humber’s campus safe and secure:

- Campus patrols by uniformed security guards
- Campus Walk Program
- Interior and exterior emergency phone system
- Posted security notices
- Work Alone Service

For more information on Public Safety’s programs and services or to view the locations of the campus Emergency Phones, visit the Humber College Department of Public Safety website at: humber.ca/publicsafety

Campus Walk Program

The Campus Walk program provides a walking partner for students, employees and visitors who wish to be accompanied to their vehicle on the property, to the campus residence or anywhere within the perimeter of the campus property.

To request this service:

1. Contact Public Safety at:
   a. **North Campus:** Security Reception by NX101 or phone 416.675.8500
   b. **Lakeshore Campus:** Security Reception in M106 or phone 416.675.8500
   c. Campus Walk will then meet the person requesting the walk at their chosen meeting place.

2. The Campus Walk team will present identification.

3. The person(s) requesting the walk will be accompanied to their requested location.

Emergency Preparedness

In an emergency situation, contact Security by calling Ext. 4000 from an on-campus phone, or 416.675.8500 from your cellphone, or use an emergency phone located around campus. Emergency phones are a free direct line to Security. You will be required to provide the following information:

- Your name
- Your location
- Location of the incident
- Nature of the emergency

For non-emergency situations, such as Campus Walk, room openings or other inquiries, Security can be contacted at or Ext. 8500. or 416.675.8500
Emergency Contact Information

Humber North and Lakeshore Campuses  Ext. 4000
Education & Training Solutions  911
Police/Fire/Ambulance  911

For safety information and security updates, visit the Public Safety website at humber.ca/publicsafety

Non-Emergency Numbers

Public Safety (North and Lakeshore)  416.675.8500 or Ext. 8500

Evacuation

1. Exit the building immediately if you are able to do so safely.
2. Notify anyone you encounter to exit the building immediately.
3. Call 911. Provide as much information as possible.

If you are unable to exit the building safely, immediately go to the nearest area where you feel safe.

Active Attacker Procedures

RUN
- Stop what you’re doing and quickly assess the situation
- If you can get out of the building safely, then do so - RUN out of the building until you are safe
- Then call 911 and tell them what’s going on

HIDE
- If you can’t RUN, then find a place to HIDE – go to the nearest secured space such as a small interior room

- Close doors and windows and close blinds or curtains in the room
- Lock and barricade the doors if possible.
- Silence cell phones,
- Your goal is to make the room look unoccupied and prevent access for the attacker

DEFEND
- As a last resort, you may have to DEFEND yourself if the attacker comes into your space
- Only you can decide if you are going to defend yourself
- If you decide to defend – you must commit to the actions and be aggressive, be loud and be committed.
  If several people commit to defend, you have a good chance of overwhelming the attacker

The full procedure can be found at: https://humber.ca/publicsafety/services/emergency-management/active-attacker

Fire Procedures

Duties of Instructors during Emergencies

When you are in a classroom, lab and other assembly or work areas, and the fire alarm bells sound, proceed as follows:

- STOP the class and any learning activities.

Upon Hearing a Fire Alarm

If Intermittent Signal (beeping sound every two (2) seconds)
- Stand by and prepare to leave the building.
- DO NOT use the elevators.

If Continuous Signal (three (3) fast beeps followed by a short pause)
- Close doors behind you.
- Leave building by the nearest exit.
- DO NOT use the elevators.
Important Note: If you encounter smoke, use an alternate exit. If smoke is heavy in the corridor, it may be safer to stay in your area. Close doors, block openings and stay low to the floor at a window if available.

Upon Discovery of Fire
- Leave fire area immediately.
- Close doors behind you.
- Sound the fire alarm, pull manual alarm station.
- Leave the building by the nearest exit.
- DO NOT USE THE ELEVATORS.

Provide assistance to any persons with accessibility needs you encounter while evacuating. If you are unable to do so, tell them to stay where they are and that you are getting them help. Immediately inform Security where this person(s) is located.

H.E.A.R.T. Program
The Humber Emergency Auto Response Team (H.E.A.R.T) is a program designed to help anyone who is experiencing vehicle problems while on-campus.

We offer a vehicle battery boosting service. Call Parking Services at 416.675.6622 Ext. 4416 or through any emergency telephone. Parking Services will dispatch someone to help you get on your way safely.

If Parking Services is unable to get you on your way, they will provide access to a telephone and the appropriate contact information to arrange emergency assistance.

Humber Guardian App
The Department of Public Safety has released the Humber Guardian app for Apple, Android and Blackberry Smartphones.

The Guardian is designed for Humber students, staff and faculty and provides quick access to campus safety and security resources, emergency contact information, safety services and a safety toolbox.

Humber Alert
Humber College strives to provide a secure and safe campus for its students, employees, and visitors. To keep the Humber community informed about emergency situations, the college offers Humber Alert. This emergency notification system is offered by Blackboard Connect.

This service is available to everyone in the Humber community. To subscribe, simply click on the link below and register to receive important information and instructions during an emergency. You can register multiple emails and phone numbers to receive messages by voice, text and email.

Dining Options

The Humber Room is a live learning restaurant, located at Humber’s North Campus. World-class lunches and dinners are prepared by students in culinary programs at Humber who are studying to become chefs. The service in the restaurant is provided by students studying in hospitality and event management programs at Humber.

The Gourmet Express offer quick, fresh and affordable meals prepared by students. Drop by to check out what our students are cooking up today!

Hours of Operation vary by semester. For details, please call 416.675.6622 Ext. 4732/5022 or visit business.humber.ca/current-students/resources/hungry.html

Nourishing More Students Than Anyone Else

Through serving nutritious, better-for-you foods, engaging with our campus communities, and innovating our cafés with new technologies, we go beyond providing just a meal:

- As Colleges Ontario first and only FairTrade Designated campus, we serve FairTrade coffee, tea and chocolate on campus.
- Our Buy Local program allows us to source directly from the farmers and producers of great local ingredients in the region. Our Eat Local campaign is a great time to try out harvest season flavours in our menus (October).
- Stop Food Waste Day is dedicated to bringing attention to the overwhelming surplus of food that never gets eaten.
- Look for our “Did you Know” posters to learn about the various sustainability actions we are taking to make our food services better for you, the community, and the planet.

Humber has a passion for providing quality food with a focus on freshness, satisfaction and value. This is reflected in the freshly prepared menus and the hallmark brands we offer such as Tim Hortons, Starbucks, Booster Juice, Pizza Pizza, Van Houtte Fairtrade Coffee, Subway, Teriyaki Experience, and many more. By offering Halal, Vegan or Vegetarian options, Humber is committed to providing food that meets the needs of the Humber community. For additional information and hours of operation, please visit: dineoncampus.ca/humber
Galleries

Humber Galleries provides spaces where contemporary art and polytechnic learning come together and influence one another. We aim to emphasize Humber College's strategic pillars by making the gallery more accessible, innovative, and inclusive. Through increased student involvement in programming and exhibition content, we aim to create career-ready citizens.

We act as an active collaborator in the social and educational fabric of Humber College, its surrounding communities, and the contemporary art discipline. Art, whether in physical or digital forms, provides a starting point for complex and difficult discussions, and brings multiple perspectives to the table. We welcome opportunities to codesign responsive class visits and curriculum overlaps in relation to its exhibitions from each of Humber's six faculties. Set up a meeting with Humber Galleries' Project Lead to discuss curriculum embed and project partnerships opportunities.

For additional information, please visit humbergalleries.ca or find @HumberGalleries on social media.

Location:

Lakeshore Campus,
L Space, L1002
19 Colonel Samuel Smith Park Drive
Toronto, ON M8V 4B6

Government Relations, Marketing and Communications

This team provides resources and support to faculty in the areas of marketing, advertising, internal communications, social media, media relations and public affairs. Our focus is on strengthening Humber’s reputation and brand and connecting employees, students and partners with information about the college. Our efforts also help promote new programs, recruit students and raise awareness about the benefits of polytechnic education through events, success stories, news releases and more. For complete brand guidelines and communication resources, visit humber.ca/brand

VIP Invites and Announcements
Are you asking a politician to give a guest lecture? Are you presenting an award to an alumni? Would you like an elected official to attend one of your events on campus? The team will provide outreach and arrange invites for all campus visits and events on behalf of all faculties/departments. This includes contacting invitees, organizing tours on campus and arranging opportunities for Humber’s administration to meet with our guests to help build on relationships and find new ways to support students.

Marketing Services
- Design and marketing consultation
- Marketing/brand initiatives
- Advertising campaigns
- Viewbook and Calendars

Web/Digital Media Services
- Website consultation, design and development
- Web analytics

Communications Services
- All external news inquiries, outreach and opportunities
- Communications and public relations campaigns
- Event and recruitment-focused multimedia (video and photos) services and consults
- Articles on humber.ca/today
- Social media consults and best practices
- Communiqué and the Employee News Network (internal staff and faculty website and video stream)
- College-wide events calendar

Human Resources and Organizational Effectiveness

Employees enjoy a supportive employee experience here at Humber. Human Resources and Organizational Effectiveness (HROE) offer a comprehensive and highly competitive total compensation package designed to attract and retain top talent. Some benefits employees have access to include:

- Extended Health and Dental Care
- Life Insurance coverage
- Short Term Disability & Long Term Disability coverage
- Pension enrollment
- Professional development

Employees are able to access and take action on their own behalf using the Human Resource Management System (HRMS). Employees can submit absences, complete time cards, update personal information, enroll for benefits, manage pay and more from anywhere.

Additionally, employees have access to the HRMS Knowledge Base (KB) and 24/7 access to HR support through our HR Support Centre at 416.675.6622 Ext. 5001.

Please visit hrs.humber.ca to learn more.

Centre for Human Rights, Equity & Inclusion

Human Rights, Equity & Inclusion has been a formal program in Humber’s Human Resources Services since the 1990s and its mandate is to assist Humber in increasing equity, diversity and inclusion throughout the college. The Centre provides programs and services that recognize the intersectionality and interlocking of socially constructed identities. All Centre initiatives integrate a holistic framework that addresses the simultaneity of the individual's experiences. This intersectional and integrative approach, grounded in a practice of care, is woven throughout the Centre’s programs and services.

What We Do

Increase Human Rights, Equity, Diversity and Inclusion Awareness

We provide Human Rights, Equity, Diversity and Inclusion training, and harassment/discrimination prevention education through workshops, library exhibits, and educational resources. We deliver a speaker series with notable presenters on human rights and equity topics. We provide group and one-to-one customized support and resources on Equity, Diversity and Inclusion.

Ensure Legislative Compliance

We lead and coordinate compliance with Accessibility for Ontarians with Disabilities Act (www.ontario.ca/laws/statute/05a11), the Anti-Racism Act, Employment Equity Act (www.ontario.ca/laws/statute/17a15), Occupational Health and Safety Act (www.ontario.ca/laws/statute/90001), the Ontario Human Rights Code (www.ontario.ca/laws/statute/90h19) and the O. Reg. 131/16: Sexual Violence At Colleges And Universities (www.ontario.ca/laws/regulation/160131) through policy development and targeted educational awareness and communication strategies.

We support the Truth and Reconciliation Commission of Canada: Calls to Action (trc.ca/assets/pdf/Calls_to_Action_English2.pdf)
We promote college and community-wide initiatives to increase representation among faculty and staff in the four employment equity designated groups (Indigenous people, women, racialized people and persons with disabilities) as well as persons with diverse gender and sexual identities.

**Strategic Communication and Relationship Building**

We work collaboratively with stakeholders across the college. We maintain an up-to-date and compelling Human Rights, AODA & EDI website that provides comprehensive and current online resources ([hrs.humber.ca/support/support-resources/humanrightsresources/human-rights-inclusion-resources.html](hrs.humber.ca/support/support-resources/humanrightsresources/human-rights-inclusion-resources.html)). We work with local, national and international communities, community organizations, and other postsecondary institutions to enhance Humber’s visibility.

**Ensure Timely Complaints Resolution**

We investigate complaints pursuant to Humber’s human rights-related policies. We provide early intervention into human rights-related concerns through consultation, mediation, conciliation and referrals to internal and external resources.

**Co-lead Humber’s Equity, Diversity and Inclusion Committees**

We support the development and functioning of affinity groups throughout the College: Humber’s Equity, Diversity & Inclusion Taskforce; Equity, Diversity and Inclusion Committee; AODA Committee; and Sexual Assault/Sexual Violence Awareness Committee. We support and co-lead these committees to champion innovative thinking in their respective areas.

**Accessibility for Ontarians with Disabilities Act (AODA)**

The goal of the Accessibility for Ontarians with Disabilities Act (2005) is to “develop, implement and enforce accessibility standards” to ensure accessibility for all Ontarians.

For more information on the AODA and to access the online training modules, please visit [hrs.humber.ca/human-rights-equity-diversity/aoda/about.html](hrs.humber.ca/human-rights-equity-diversity/aoda/about.html)

**Location:**

North Campus, LRC, 5th Floor

**Hours:**

Monday to Friday: 9:00 a.m. to 5:00 p.m.

Evening appointments are available with advanced notice. humanrights@humber.ca

Humber Child Development Centre

The Humber Child Development Centre is a unique laboratory school, connected to Humber College’s Faculty of Health Sciences and Wellness. The Centre offers quality education and childcare to 20 infants, 30 toddlers, and 48 preschoolers. Our responsive-inclusive program makes every effort to create and maintain an open, respectful and welcoming environment for all. We aim to reflect the rich diversity of our community through thoughtful and informed practices. Educators ensure that all children have equitable and genuine opportunities to participate in all aspects of the program.

The children are offered opportunities to engage in inquiry, learn through play, build friendships, and appreciate the natural world through daily routine, transitions, interactions, and experiences. Our educators advocate for positive relationships with all children, families, and communities.

Our intention is to:
- promote a strong sense of belonging
- create responsive-inclusive nurturing environment for a healthy well-being
- implement learning through play and inquiry, as well as engagement with the natural world
- encourage positive relationships and expressive, respectful communication
- plan for, and co-create positive experiences, where each child’s development and needs are supported in a holistic approach

Additional Services:

Forest and Nature Program
The Forest and Nature Program (FNP) is a unique play and learning experience that offers children the opportunity to succeed and develop confidence and self-esteem through hands-on learning experiences in a natural outdoor setting. Children engage in motivating and achievable tasks and activities throughout the year and in almost all weather. It provides an array of opportunities for the children to explore land-based child-directed inquiry-based learning, which highly supports the Centre’s holistic approach.

Location:
North Campus, FX101

Hours of Operation:
Monday to Friday: 7:30 a.m. to 6:00 p.m.
Indigenous Education & Engagement (IE&E)

The Indigenous Education & Engagement (IE&E) works in partnership with regional Indigenous communities to ensure Indigenous students are supported and connected to their learning environment—academically, culturally and socially. We assist students in making the transition to the challenges of college life while creating awareness and appreciation of Indigenous cultures and histories in the greater campus community.

Interested in learning about Indigenous knowledges and perspectives and how to include them in curriculum? Want to learn about culturally appropriate protocols and practice? Indigenous Education & Engagement welcomes all faculty and staff who are interested in learning about Indigenous peoples, histories, traditions and cultural practice. Connect with us to sign up for upcoming cultural safety trainings and learn more!

Virtual Indigenous Knowledge Gathering

The Virtual Indigenous Knowledge Gathering provides a safe space to think about and actively engage in meaningful conversations about the role and inherent responsibilities of education, by sharing knowledges, skills, and education strategies required to build a better future.

**Dates:** November 15th to 19th

**National Days of Awareness:**
- Orange Shirt Day – September 30th
- Moose Hide Day – February 11th
- Red Dress Day – May 5th
- National Indigenous Peoples Day - June 21st

**Locations**

**North Campus** (Learning Resource Centre)
Second Floor, Room 2137, Ext. 5424

**Lakeshore Campus** (Welcome Centre)
Third Floor, Room 301
416.675.6622 Ext. 3299

International

International provides specialized services for international students and assists students with questions regarding study and work permits, transition, housing, health insurance and employment. The International Centre’s trips and social events are a fantastic way to meet other international students and explore the culture, customs and history of Toronto and Canada. They also offer global opportunities to students for an enriching study or work experience.

Visit International.humber.ca for more information.
Libraries

The library offers a wide range of resources and services to support teaching and learning at Humber. Visit our website to explore online supports, particularly those tailored to faculty teaching needs.  

library.humber.ca

Visit us in person at the North Campus: 4th floor of the LRC Building; Lakeshore Campus: B building.

Access

Your Humber username and password is all that’s required to access electronic resources online at library.humber.ca. For University of Guelph-Humber Library Services, please visit guelphhumber.ca/library for details.

Collections and Instruction

The library offers a wide range of print and electronic resources to support teaching and learning at Humber.

Our ever-growing eBook, electronic journal and streaming media collection contains over 3 million titles that can be accessed anywhere, anytime, via our website. Our print collection is updated throughout the year.

If you have questions about research and access, or suggestions for resource acquisition, please contact your librarian library.humber.ca/liaison-librarians

Student Research Skill Development

Your liaison librarian can support your teaching and course development by providing virtual and/or in-person research and digital literacy skills instruction for students, and by assisting with assignment development and course reading selection.

Copyright

Humber College is required to comply with Canadian copyright law and institutional licensing agreements. This means that the reproduction, use and dissemination of copyright protected materials, regardless of format, are subject to certain limits and restrictions.

It is the responsibility of Humber faculty to be aware of the restrictions and to copy and distribute materials in accordance with institutional directives. For details on allowable limits, visit library.humber.ca/copyright

The library is here to support you. If you have any questions regarding the appropriate use of print and online materials, please contact library copyright staff at copyright@humber.ca.

IDEA Lab

The Idea Lab is designed to support digital literacies at Humber College. The Idea Lab has three components: studio spaces, workshops, and online resources. library.humber.ca/idealab
Math and Writing Centre

Humber has established facilities at the North Campus and Lakeshore Campus to help students who need assistance with math and writing. Starting in the Fall 2021 term, the Math and Writing Centre will be implementing a hybrid model with tutoring services both on campus and online.

Math Support

The Centre offers math help to all Humber and Guelph-Humber students. Students can receive help through one-on-one appointments in person, online or during online drop-in times. The math tutors help with a broad range of topics including basic mathematics, remedial mathematics, mathematics of finance, statistics, quantitative methods, technical mathematics and calculus. The tutors can also help with math components of other courses such as nursing and physics. Workshops are also available for students throughout the term on topics such as Learning to use a Financial Calculator, Confidence Intervals and Hypothesis Testing. To find out more about how the tutors can help your students, email us at: mathcentre@humber.ca.

Students can reserve a tutor through our online booking system at: humber.mywconline.com/liberalarts.humber.ca/current-students/resources/math-centre.html

Writing Support

The Centre provides students with a chance to refine their writing skills and to get help with individual assignments. Friendly tutors welcome the opportunity to work with students one-on-one on any writing issue, whether it is related to thesis development, research, documentation techniques, or analytical and technical reading abilities, regardless of a student’s program of study.

Further reading comprehension skill development and language skill development workshops are also offered and tailored for English as a Second Language (ESL) learners, along with conversational and pronunciation support. Additional workshop topics include Academic Integrity and APA. To find out more about how the tutors can help your students, email us at: writingcentre@humber.ca.

Students can reserve a tutor through our online booking system at humber.mywconline.com/liberalarts.humber.ca/current-students/resources/math-centre.html

Note:

We are planning to have a hybrid model in the Fall 2021 term, but services may be subject to change with the unpredictability of health restrictions in the future.
Office of Sustainability

Humber’s Office of Sustainability leads and supports the college’s vision to provide national leadership in developing sustainable campuses, and is a hub for campus engagement and information.

Activities of Humber’s Office of Sustainability include:

- Collaborate with all areas of the college to embed sustainability into everything we do.
- Engage with various stakeholders to implement sustainability projects, initiatives and events, in and out of the classroom and in our communities.
- Track and publish progress towards our sustainability goals.
- Co-facilitate our faculty and staff Sustainability Champions Community of Practice to support faculty with how to teach sustainability concepts in all courses.
- Provide information and support on sustainability topics with the Sustainability Education Research Guide (libguides.humber.ca/sustainabilityed)
- Work with faculty to connect campus projects with classroom learning.
- Build partnerships to connect the campus with the Sustainable Development Goals (sdgs.un.org/goals).

On our website you will find information on topics such as:

- Teaching and learning resources including the Sustainability Education Research Guide
- Campus sustainability events and news
- Fairtrade product locations on campus
- Sustainable commuting to/from our campuses (transit, carpooling, biking, etc.)
- Recycling and waste on campus
- Conserving energy and water on campus
- Listing of programs and courses related to or that teach sustainability
- Resources such as how to run a sustainable event on campus
- Volunteer opportunities for students
- Campus Sustainability Features Map

For more information related to any of our programs and services, please get in touch.

Peer Assisted Learning Support

The Peer Assisted Learning Support (PALS) team is here to help with student learning at all campuses through peer led learning supports. All PALS programs are free.

The PALS office supports students via the following services:

Learning Skills Workshops: Free, drop-in and online workshops available to all students at the North and Lakeshore campuses. We also offer in-class presentations by faculty request. Please connect with our Peer Learning Programs Coordinator who is available to tailor the presentations to the needs of your students. Topics include Time Management, Exam Preparation, Presentation Skills and many more!

For Summer and Fall 2021, all workshops will be delivered online via Blackboard Collaborate. For more information, visit humber.ca/learningresources/learning-skills-workshops

Note Taking Services is designed to supplement the notes that students take themselves, during class. Our unique note taking service provides note creation by professional note takers. Students audio record classes using a cell phone, recorder, laptop, or other device and upload the audio files to their secure account with the service provider. The service creates notes within 72 hours and make them available on the students’ secure account for download. Learn more here: humber.ca/learningresources/note-taking-services

The PASS Program: PASS (Peer Assisted Study Sessions) is modelled after the Supplemental Instruction program created at the University of Missouri, which is a free academic support program for courses rather than targeting high-risk students. Non-remedial approach to learning for historically difficult courses which have been
challenging for ALL students. Utilizes peer-led group study approach to help students succeed. Facilitated by a PASS Leader, who is a current student who had already successfully completed the course.

**Peer Tutoring:** We offer one-on-one and study group help for students requiring course-specific help. Our tutors are upper year students who were successful in the class (Received a grade of 80% or higher) and have the desire to help students succeed. Tutoring is free and available online and in-person.

Tutoring has moved online for now. All students receive 3 hours of free tutoring per week. The software we use for tutoring is called Upswing: [humber.upswing.io](http://humber.upswing.io). Learn more here: [humber.ca/learningresources/peer-tutoring](http://humber.ca/learningresources/peer-tutoring)

**Peer Tutor in the Classroom:** Peer tutors are available to support students in class with the supervision of a faculty member. For more information, please connect with the Peer Tutoring Coordinators or visit our website.

Online Supports are also available to students including:

**Online Peer Tutoring:**
Students can continue to access free peer tutoring in a user-friendly interface. The platform provides a virtual space for collaborative learning through real-time audio, video, chat and whiteboard. [humber.upswing.io](http://humber.upswing.io)

**Online Learning Skill Workshop Videos:**
Quick snippets of our best skills strategies to manage their busy student lives. [humber.ca/learningresources/studytips-tools/video-workshops](http://humber.ca/learningresources/studytips-tools/video-workshops)

Tips For Success: [humber.ca/learningresources/online-learning-skills](http://humber.ca/learningresources/online-learning-skills)

**Live Streamed Learning Skills Workshops:**
All our workshops are live streamed. Students can log in remotely and participate using Blackboard Collaborate. Find monthly schedule here: [humber.ca/learningresources/learning-skills-workshops](http://humber.ca/learningresources/learning-skills-workshops)

**Assignment Calculator:** The assignment calculator is a tool to help students stay organized and view assignments as a series of manageable steps. Students plug in the anticipated start date of the assignment and the due date as well as the assignment type. The calculator will break down the steps of the assignment and when the steps should be completed. It is a great time management tool to help students plan their assignments for multiple classes.[humber.ca/learningresources/acal](http://humber.ca/learningresources/acal)

For more information on PALS services, please visit one of our Centres, or check us out online [humber.ca/learningresources](http://humber.ca/learningresources)

General email: [peer.tutoring@humber.ca](mailto:peer.tutoring@humber.ca)

**Locations:**

**Humber North Campus**
Learning Resource Commons, 3rd Floor

**Humber Lakeshore Campus**
Welcome Centre in the Academic & Career Success Centre, 1st Floor

*Please see current hours of operation on our website.*
Student Success & Engagement

Student Success & Engagement (SSE) comprises a range of services that share the common goal of supporting students’ personal and academic success. The various services are designed to provide support and resources to students, faculty and staff, taking the approach that each student’s education is enhanced by the range of opportunities and interactions available both inside and outside of the classroom.

For more information related to any of these services, please contact the Office of the Dean of Students at Ext. 4872, or visit Humber’s website for specific office locations and contact information.

wegotyou.humber.ca
Testing Services

Testing Services offers a quiet, controlled and barrier free space for students to write their tests outside of the classroom. Testing Services runs a full service Test Centre at both the North and Lakeshore campuses. Our centres are monitored by trained invigilation staff.

Our services include:
- Admissions testing
- Make-up or missed tests
- External institution testing
- Accommodated testing (Students who require extra time, access to assistive technology, or a distraction minimized environments).

For up-to-date hours of operations, online test submission details, test referral forms and rules and regulations please see our website at:

humber.ca/student-life/testing-services

Locations:

Humber North Campus
Learning Resource Commons
Second Floor (LRC 2141), Ext. 4712

Humber Lakeshore Campus
Welcome Centre,
2 Colonel Samuel Smith Park Drive,
WEL307, Ext. 3228
Top Technical Services for Employees

Information Technology Services (ITS) is responsible for the delivery of all centrally-managed technical services available to the Humber and Guelph-Humber community.

What we can do for you...

Equipment Rental
A variety of audio/visual equipment is available to borrow at no cost. Laptops, digital camcorders, speaker systems and document cameras are among the most popular items. Please visit A212 at Lakeshore or the Tech Zone, in H105 at North, to sign out what you need. We will even show you how the equipment works before you go!

Office 365
Microsoft 365 is a cloud-based, productivity service compatible with all computing devices. It includes web versions of Word, Excel, PowerPoint and Outlook and is accessible from anywhere in the world. It also includes one terabyte of storage space. Log into Microsoft 365 at humber.ca/microsoft365 using your Humber credentials to get started.

Email & Calendaring
Outlook 365 is a personal organizer. In addition to email and calendaring functionality, it also features contact, notetaking and task management tools. It also synchronizes with mobile devices! Access your content using the Outlook desktop client, Outlook Mobile, or by visiting humber.ca/microsoft365 from anywhere in the world.

File Storage
Secure storage space is available on your OneDrive. Everyone is provisioned with one terabyte of space. Access it online at humber.ca/microsoft365 --> OneDrive. You can also download the desktop version and the mobile version for access to your files anywhere, anytime.

Copy/Print/Scan/Fax
Multifunction devices have been deployed throughout all campuses to facilitate copy, print, scan and fax needs. That said, please consider the environment and only print when necessary. And, as much as possible,
print double-sided and avoid colour. Go to myPrinting.humber.ca to wirelessly print to select campus printers.

**Network Access & Security**
Humber has secure, wireless Internet access using Eduroam. Eduroam (education roaming) is a secure, worldwide, WiFi roaming service that allows students and employees at participant institutions to wirelessly connect to the Internet at other participant institutions. It is available to Humber and Guelph-Humber staff.

**Audio, Video, & Web Conferencing**
Looking for a better way to communicate? Consider using Microsoft Teams or Cisco WebEx.

**Microsoft Teams** is part of the Microsoft 365 suite of applications. The core capabilities include messaging, calling, video meetings, and file sharing. Visit humber.ca/microsoft365

**Cisco WebEx** is a Web Conferencing and video conferencing solution that can be used to host webinars, peer-level Web meetings, and webcasts. Visit humber.webex.com to get started.

**Educational Technology & Support**
Many learning spaces at Humber are equipped with enabling technology (data projectors, multimedia pods, interactive whiteboards, computing devices, etc.) to support teaching and learning. Advanced spaces also feature flexible furniture options. Priority technical support is available through the in-room telephones in most learning spaces.

**Help & Support**
We are here to help! Call or chat with us. Technical support is available 24 hours a day, seven days a week, and 365 days a year at no cost. No problem is too big or too small; our friendly and knowledgeable analysts are always happy to help. You can also visit us at one of our campus service outlets during business hours.

**Phone:**
416.675.6622 Ext. 8888

Canadian Press Style—Quick Reference

Capitalization

- Program/course names are capitalized but not the corresponding credential
  - The Floral Design certificate program
  - The Critical Care course
- Capitalize formal titles that directly precede a name
  - President Chris Whitaker, Vice-President Rani Dhaliwal
- Lower-case titles that appear after a name, or are set off from a name by commas
  - Laurie Rancourt, senior vice-president academic
  - The director of communications, Andrew Leopold
- Capitalize the name of an office, department or faculty when it appears in full as a formal name; lowercase informal or short forms
  - Faculty of Applied Sciences & Technology; the faculty; applied tech
  - Office of the Registrar; the office; the registrar’s office
  - Office of Student Success and Engagement; the student success office
- Modified down style
  - Use a modified down style, that is, where a reasonable choice exists, use lowercase. Basic rule: Capitalize all proper names, trade names, government departments and agencies of government, names of associations, companies, clubs, religions, languages, nations, races, places and addresses. Otherwise, lowercase is favoured.

Numbers

- Whole numbers: write one to nine as words, 10 and up as numerals
  - The student bought four coffees and 12 bagels for his classmates. It was the fifth week of classes, and the 13th time he had waited in line at Tim’s.
- Use numbers when writing decimals and with uncommon fractions
  - 0.54, 2 ½ days
  - three-quarters, two-fifths

Academic

- BA, MA, PhD
- B.Comm, B.Sc, M.Sc, P.Eng
- bachelor’s degree, master’s degree
- postgraduate, postsecondary

Other abbreviations

- U.S.
- a.m. and p.m.

General note: Above all else, be consistent!

Last updated: April 2016

Note: these are general principles followed on the Humber website, in media documents and in corporate publications.
