

Humber College

Humber College Institute of Technology and Advanced Learning is one of Canada's leading post-secondary institutions.

Transforming post-secondary education through global, polytechnic leadership, Humber is one of only seven Ontario colleges designated an Institute of Technology and Advanced Learning.

Humber emphasizes hands-on, career-focused education through a broad range of credentials.

Locations

Founded in 1967, Humber has the **North** and **Lakeshore** campuses in Etobicoke and the **Humber International Graduate School** location in downtown Toronto.

Where our students come from

- Approximately 51 per cent are students directly from secondary school.
- 49 per cent are non-direct students.
- Approximately 6,500 international students are from more than 120 countries

Highlights

- Humber offers more than 220 full-time programs.
- More than 38,000 full-time students and 19,000 part-time and continuous professional learning students annually
- Humber receives more than 155,000 program applications annually - more than any other Ontario college.
- Three per cent of students self-identify as Indigenous.
- There are more than 278,000 alumni. 14,000 Humber students graduate annually.
- Humber offers joint programs through the University of Guelph-Humber, where graduates receive a university honours degree and a college diploma in four years.
- Humber collaborates with several internationally based institutions to deliver programs and has transfer credit options with more than 50 Canadian and international universities.

Humber's Centres of Innovation

Humber's network of Centres of Innovation (COIs) brings together interdisciplinary teams of faculty, students, and community and industry partners to solve complex, real-world problems. COIs provide an experiential learning environment for Humber students and prepare them to become the innovative and strategic problem-solvers of tomorrow. Humber's COIs are focused on five areas of proven strength and industry sector growth:

- Barrett Centre for Technology Innovation
- Centre for Creative Business Innovation
- Centre for Entrepreneurship
- Centre of Innovation in Health and Wellness
- Centre for Social Innovation
