Transfer Credit Process

Transfer credit applications and supporting documents must be submitted to the Office of the Registrar **four weeks** prior to the start of term. Applicants are encouraged to apply for transfer credits prior to registration to avoid making changes to their schedule. All applicants are expected to register and attend all required courses until results have been confirmed. If your application is received after this time, it may interfere with the last day to add and drop courses (Please see the [Academic Calendar](#))

Please submit the complete application and supporting documents to transferoptions@humber.ca.

Once your completed application and supporting documentation is received, the appropriate fees will be applied to your MyHumber account and results will be posted on your Academic Progress.

Fees

The charge for processing transfer credits is \$25.00 for one course, \$50.00 for two courses, and \$75.00 for three or more courses when submitted at the same time. The charge for processing transfer credits is non-refundable, regardless of the result of the application and actual courses granted an exemption. Once your application is received, **the fee will be posted to your MyHumber account. Please refer to humber.ca/fees for payment options.** Please note: There is no charge for transfer credits for internal Humber College or the University of Guelph-Humber.
